The Rev. Charles Wadsworth, Jr., read a passage of the Scripture and made an appropriate prayer.

After which, the Hon. John E. Reyburn, Mayor, delivered the following address:

To the Honorable Select and Common Councils.

GENTLEMEN:—In addressing you to-day, I do so with a deep sense of the responsibilities assumed by you as the legislative and myself as the executive branch of our City government. It is no easy task to govern and rule with wisdom and justice a city of the extent of territory and population of the City of Philadelphia. To protect the lives, property, the liberties, the pleasures, and the happiness of so great a population springing from many nationalities, with its diversity of interests, of business, of manu-

facture, can only be done by unity of action, by forbearance and oftentimes by personal and sectional sacrifice.

I shall, as the Chief Executive, come to you for assistance and help. This I shall do freely and fairly, believing that you as individuals and as legislative bodies represent the best thought of the constituents, who by their votes elected you. Many of you have had years of experience and are well schooled in the needs of the City and the public.

The finances of the City seem to be in good condition. The taxes are fairly assessed and collected without other than reasonable delays or expense. Whilst this is true and should be a matter of civic pride, yet we must not allow this to lull us to sleep. If we are to go on and carry out the public improvements projected without increasing the burden of taxation, this will require much thought on your part and the co-operation of the various branches of the City government. Fortunately our City has a tried system which has maintained a high standing of credit. The Constitution and Laws of the State and the ordinances passed by you are wise and wholesome, restraining undue and ill-considered measures.

It may need here and there, or from time to time, some slight amendments to meet changed conditions, but these must be well considered and not hastily made, because of some public clamor. With your Honorable Bodies fixing the tax rate and making the appropriations, the Board of Revision of Taxes to fix the assessment of property, the Receiver of Taxes to control the collections, the Controller to see that the appropriations are properly expended according to the law and ordinances, the Sinking Fund Commissioners to guard and protect our bonded debt, to insist that provision be made to meet this debt at maturity, I believe a system is at our hands fully competent to deal with any condition that may arise.

It is not only the duty of the Chief Executive, but shall be my pleasure as that Executive, to work with these various bodies, to bring them together in such manner as will establish a sympathy and co-operation that must do much to solve many of the difficult problems. Philadel-

phia is filled with broad-minded, public-spirited citizens—men who have by energy, business foresight, integrity, and honorable dealing placed themselves in the foremost ranks of the master minds who have built up, designed and carried to successful issue vast enterprises in our City, State, and Nation.

There is no reason why these good citizens should not be encouraged to lend of their experience to the public and for the good of the whole. These merchants, manufacturers, financiers, bankers, newspaper proprietors, heads of our universities and schools, and men from other walks of life are nothing but men like ourselves, full of pride of City and residence, are ready to give not only of means, but better still of counsel. Let us therefore have done with the days of suspicion, of innuendo, and by our acts and deeds lead the people to believe that our citizenship is capable of nobler and better things. With confidence in each other, with free, open, fair, discussion, with due regard for the opinions of others, guarding the rights of the public and the interests of the people, we can continue to be a City of homes and one fair to look upon. There are many serious problems confronting the people at this time, for which we must find solutions, but none in my opinion is of more vital and pressing importance than that of supplying the people with pure water. The elaborate and extensive preparations for a great filter system have been halted by unfortunate conditions almost on the eve of their completion, and progress in the purification of our water supply has been almost at a stand for more than a year.

It should be our purpose to take up this important matter at once and to give our untiring efforts to finding an immediate remedy for the existing trouble. It is impossible for me to state at this time just how this may be accomplished, but I feel sure that temporary relief from existing conditions may be had pending the execution of the unfinished work on the present filtration plants. The urgent necessity of a bountiful supply of pure water for the protection of the health and the promotion of the comfort of the people is a demand upon the municipal administration which must be heeded, and at once; and by

honest, earnest effort on our part and our associates in the municipal government, and the help and co-operation of your Honorable Bodies, the people and the public sentiment as expressed through the press, I feel assured that every obstacle now impeding the progress of the work of securing pure water will be pushed aside and the greatest ill which can beset a great city will be cured.

In this task we need the encouragement and the active co-operation of every good citizen who has in his heart an honest devotion to the best interests of the City. I bespeak for our efforts, the hearty aid and earnest support of the people, without which no great public undertaking can succeed. I also invoke the aid and potent influence of the press in the prosecution of the great work that spreads out before us like a panorama of persistent effort. There will undoubtedly be grounds for criticism and honest criticism should be welcome. With an honest untrammelled press, vigilant for the public welfare, with a press that casts aside the individual interests of its owners for the best interests of the people at large, the safety of the community and the municipality is well guarded. There is nothing more potential for the good of the people than an honest, unbiased, fearless, free press.

The able and talented men who guide the destinies of the press, being in constant and intimate touch with all manner of conditions, may give counsel of inestimable value and mould public sentiment which would be a most effective support in carrying to a successful conclusion great public improvements. I sincerely hope we shall secure and retain this kind of aid and encouragement. With the press, the people, your Honorable Bodies, ourselves, and our associates combined in an honest effort for the common good, there can be no fear of failure.

Another most important matter which should receive our prompt and thorough consideration is the elimination of grade crossings within the City limits. This question has reached a point now when negotiations and treaty should give place to achievements. The City authorities and the Railroad Managers are of one mind as to the necessity for the removal of these menaces to life and limb from our public highways, and I deem it one of the highest

duties of the City government to take requisite steps to execute a work so long delayed, yet so urgently needed.

We should take this question up at an early date and proceed actively with the work; and with the co-operation of the railroads, which I confidently believe will be extended to us, I feel assured that the elimination of all grade crossings can speedily be accomplished to the great advantage of the City and lasting benefit to the people. The construction of the Parkway and the extension of the Boulevards are public improvements which appeal to our civic pride. They not only tend to beautify and enhance the attractiveness of our City, but they add to the general wealth by the increase in property values in every section of the City. I am in the heartiest accord with the wide public sentiment in favor of these important improvements and shall employ my best efforts in expediting their progress.

Another most important matter that we dare not overlook is the need of more school houses, the placing of all school houses in the most hygienic conditions; also, presenting the opportunity to every child in the City to attend school and receive proper education. Whatever will tend toward the perfection of our public school system, whatever will tend toward the comfort and health of the pupils of these schools, whatever will tend toward educating the children of the classes and masses alike should not only receive our hearty support, but should become a duty for us to accomplish.

Too long has our river front been slighted, the commerce of this port as well as the beauty of the City demanding improvements there. The suggestion of giving to Delaware avenue a uniform width as far north and south as practicable, and increasing our wharfage facilities, should receive our earnest and most careful consideration. There is now before the State Legislature a measure to appropriate from the State funds the sum of five hundred thousand dollars, with the proviso that the City appropriate a like amount or greater sum. If the spirit of this measure prevail it will place us in a position to do much toward regaining the losses in this direction of the past.

All of the improvements mentioned and the works referred to are for the lasting benefit of the City. They should be promoted by all legitimate means, and no considerations of party and no entanglements of politics should be allowed to attach to them or hamper their development. In closing I can only reiterate my firm determination, during my term of office, to contribute by all means at my command to the present and future welfare of the City and the greater prosperity, comfort and happiness of all the people.

Mr. Patton (of Select Council) offered the following, to wit:

Council, City Hall, Philadelphia.

GENTLEMEN:—The beautiful bound engrossed testimonials of my father, the late Henry A. Kammerer, duly received. My mother desires me to express her deep appreciation for same and the sympathy which they afford;

and coming from this Honorable Body, the gentlemen who have known my father for a period of years, and we feel his life has been faithfully given to his duty as expressed by this valued testimonial.

My mother's physical condition at this time prevents her from acknowledging them herself; please accept the heartfelt thanks from our entire family. May we all act courteous to our fellowman, so that the approval will be stamped on our conscience, that at the meeting of the great and final council, the doorkeeper will receive us in accord to our actions of life. Again extending to you our thanks, I am, for the family,

Sincerely yours,
WILLIAM P. KAMMERER.

Philadelphia, April 4, 1907.

HON. GEORGE MCCURDY,

President of Common Council.

DEAR MR. PRESIDENT:—You will recall that in the appropriations for 1907 there was a proviso in Item 19

for the Zoological Garden, that before it became available Councils shall be represented on the Board of Managers by one member from the Common Council; and, in accordance therewith, I was honored by being selected as the representative of the City on that Board.

While it is not entirely clear from the language used that a member so selected could not serve during the period of time that the appropriation runs; nevertheless, I do not desire to deprive the present Councils, on any technicality, of being represented upon the Board of Managers of said Zoological Society, during the year 1907, by a person who is a member of the present Councils, and I, therefore, herewith tender my resignation as a member of the said Board of Managers of the Zoological Society, to take effect at once.

I want to thank you and through you the various members of Councils who honored me in the election referred to.

The President *pro tem.* presented the following:

Philadelphia, May 22, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—Twelve years ago your Honorable Bodies appointed me as City Solicitor, to fill the unexpired term of one year of the Hon. Charles F. Warwick, who had been elected Mayor. Four times since then has your choice been endorsed by popular vote. Having now been recently commissioned by the Hon. Edwin S. Stuart to fill a vacancy in the Judgeship in Court of Common Pleas No. 1, of this County, created by the resignation of the Hon. Craig Biddle, I am obliged to hereby tender to you my resignation as City Solicitor, to take effect on Thursday, May 23, 1907, at 3 o'clock P. M.

In thus concluding my official relations with you, I would be unjust to you, as well as to myself, if I did not make open acknowledgment of my sincerely unqualified appreciation for the very generous treatment of which you have made me, through all these active years, a most grateful recipient. For truly can it be said, that never in all this long period has there been one word of dissension to mar the

perfect amity and continuous goodwill that has prevailed between us, and in now separating myself my desire is to express to both your bodies collectively, to the members thereof individually, to your clerks and officers, and to every one with whom I have been so often closely brought into personal and professional contact, my warmest and most affectionate regard for the honorable, just and generous consideration I have always received, under all circumstances, at your hands, and which I shall ever cherish as the most pleasant experience of my life.

Very sincerely yours,

JOHN L. KINSEY,
City Solicitor.

Mr. J. L. Fry (by request) read in place a bill entitled "An Ordinance to make an appropriation of twenty-five thousand (25,000) dollars for improving park Forty-eighth street and Lancaster avenue."

Which was referred to the Committee on Finance.

Also, read in place a bill entitled "An Ordinance to place Hoopes street, from Fifty-first to Farson street, in the Forty-fourth Ward, on the City plan."

Which was referred to the Committee on Surveys.

Mr. McAllister, Chairman of the Committee on Finance, presented a report, with bill annexed entitled "An Ordinance to make additional appropriations to the Department of Supplies, Public Health and Charities, Law and Clerks of Councils, for the year 1907." (*Appendix No. 174.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with bill annexed entitled "An Ordinance to authorize a transfer in the annual appropriation to the Department of Public Works, Receiver of Taxes, and City Commissioners, for the year 1907." (*Appendix No. 175.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with bill annexed entitled "An Ordinance to authorize certain transfers in the annual appropriations to the Departments of Public Safety, and City Commissioners, for the year 1907." (*Appendix No. 176.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with bill annexed entitled "An Ordinance to transfer the control and management of the Bureau of Filtration, established by authority of Ordinance of Councils, approved July 18, 1902, to the Bureau of Water, and to fix the salary of the Chief of the Bureau of Water." (*Appendix No. 177.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with bill annexed entitled "An Ordinance to complete the organization of the Department of Wharves, Docks and Ferries and transferring to its jurisdiction the Bureau of City Ice Boats, Department of Public Works, and the balances remaining to the credit thereof." (*Appendix No. 178.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with bill annexed entitled "An Ordinance to provide for an increase of indebtedness of the City of Philadelphia,

in the sum of ten million (10,000,000) dollars, for new school sites and buildings; High Pressure Fire system in the northeastern section of the City; police and fire stations and new fire apparatus; League Island park; improvement of small parks; bath houses; South Broad street boulevard; mandamuses; Passyunk avenue bridge; new bridges; extension and filtration of the water supply; main sewers; branch sewers; paving intersections; grading; surfacing unpaved streets; parkway; and House of Detention for juvenile prisoners; and authorizing the submission to a vote of the people, and fixing the day of holding an election, for the purpose of obtaining the assent of the electors to the said increase of indebtedness, and authorizing the corporate authorities of the City of Philadelphia to make the necessary announcement by public advertisement to the electors, and directing the City Commissioners to prepare and distribute the necessary ballots as provided in the laws of Pennsylvania governing the increase of indebtedness of municipalities." (*Appendix No. 179.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with bill annexed entitled "An Ordinance setting aside the money paid by the Philadelphia Rapid Transit Company, for paving, repaving and repairing streets, to be used exclusively for such purposes." (*Appendix No. 180.*)

Which was laid over to be printed.

Also, from the same Committee, presented a further report, with resolution annexed of request to the Board of Trustees of the Philadelphia Museums, relative to an extension for one year of the lease of portions of their buildings as temporary quarters for the Home for the Indigent, and authorizing the Department of Health and Charities to accept such extension, and suspending Joint Rule No. 30 of the Select and Common Councils. (*Appendix No. 181.*)

Which was laid over to be printed.

Common Council proceeded to second reading of Select

Council bill (Appendix No. 79) entitled "An Ordinance selecting plot of ground on the northeast side of Ann street between Mercer street and Almond street, in the Twenty-fifth Ward, as a park and open public place for the health and enjoyment of the people, and providing for the payment for the same."

The first section was again read, and agreed to.

The second section was again read, and agreed to.

The title was agreed to.

The bill was read a third time,

And on its final passage,

The yeas and nays were required according to law, and were as follows:

YEAS—Messrs. Ashby, Blumberg, Bethke, Burnham, Buzby, Charlton, Clark, Connell, Conrad, Cooper, Daly, Davis, Doak, Finley, Ford, J. L. Fry, R. M. Fry, Gallagher, Gardner, Gillingham, Gramlich, Gratz, Grier, Haggart, Hahn, Hallahan, Hardart, Harris, Hunt, Joyce, Kauffman, Kennedy, Lambirth, Lock, McAleer, McAllister, McGurk, McLoon, Maguire, Mayer, Miller, Nelson, Ogden, Phillips, G. D. Porter, H. U. Porter, Rex, Richards, Roberts, Ritchie, Ryan, Schmidt, Schwarz, Trau, Trinkle, E. S. Ward, J. Ward, Weideman, Whitaker, Winchell, Young, Zane, and McCurdy, *Pres't*—63.

NAYS—None

A majority of the members elected having voted in the affirmative,

It was agreed to,

And the bill passed.

Select Council informed Common Council that they had passed resolution (Appendix No. 132), entitled "Resolution authorizing the City Controller to countersign warrants for expenses incurred by the Committee appointed to entertain Milwaukee Councilmen and suspending Joint Rule No. 30 of the Select and Common Councils."

Common Council proceeded to second reading of the resolution.

The resolution was twice read, and agreed to.

The title was agreed to.

The resolution was read a third time,

And on its passage,

The yeas and nays were required according to law, and were as follows:

YEAS—Messrs, Armstrong, Ashby, Blumberg, Bethke, Burnham, Buzby, Charlton, Clark, Connell, Conrad, Cooper, Daly, Davis, Doak, Dorn, Finley, Ford, J. L. Fry, R. M. Fry, Gallagher, Gardner, Gillingham, Gramlich, Gratz, Grier, Haggart, Hardart, Harris, Hawkins, Hunt, Joyce, Kauffman, Kennedy, Lambirth, Lewis, Lock, McAlcer, McAllister, McGurk, McLoon, McQuade, Magnire, Mayer, Miller, Nelson, Ogden, Phillips, G. D. Porter, H. U. Porter, Rex, Richards, Ryan, Schmidt, Schwarz, Trau, Trinkle, E. S. Ward, J. Ward, Weideman, Whitaker, Winchell, Young, Zane, and McCurdy, *Pres't*—64.

NAYS—None.

Two-thirds of the members elected having voted in the affirmative,

It was agreed to,

And the resolution passed.

Mr. Hallahan offered the following, to wit: "Resolution to appoint a Joint Special Committee of five members from each Chamber, to investigate ways and means of curtailing the annual expenditures of the various departments of the City Government of Philadelphia.

Common Council proceeded to second reading of the resolution.

The resolution was again read.

Mr. McAllister moved that the resolution be referred to the Committee on Finance.

Which was agreed to.

Mr. Winchell offered the following, to wit: "Resolution to amend Joint Rules of the Select and Common Councils by adding an additional rule."

Common Council proceeded to second reading of the resolution.

The resolution was again read.

Mr. Ford moved that the resolution be indefinitely postponed.

On agreeing to the motion,

The yeas and nays were required by Mr. Lambirth, second by Messrs. Armstrong, Burnham, R. M. Fry, Hallahan, Hawkins, Lambirth, Lewis, Nelson, G. D. Porter, Rex, Roberts, Ritchie, and Winchell, and were as follows:

YEAS—Messrs. Ashby, Blumberg, Bethke, Charlton, Clark, Collins, Connell, Conrad, Cooper, Daly, Doak, Finley, Ford, J. L. Fry, Gallagher, Gardner, Gillingham, Gramlich, Gratz, Grier, Griffith, Hahn, Hardart, Harris, Hunt, Kauffman, Kennedy, Lock, McAllister, McGurk, McLoon, McQuade, Maguire, Miller, Ogden, Phillips, H. U. Porter, Richards, Ryan, Schmidt, Schwarz, Stokley, Trinkle, E. S. Ward, J. Ward, Weideman, Whitaker, Young, Zane, and McCurdy, *Pres't*—50.

NAYS—Messrs. Armstrong, Burnham, Buzby, Davis, Dorn, R. M. Fry, Hallahan, Hawkins, Joyce, Lambirth, Lewis, McAleer, Mayer, Nelson, G. D. Porter, Rex, Roberts, Ritchie, and Winchell—19.

Which was agreed to.

Select Council informed Common Council that they had passed resolution (Appendix No. 133) entitled "Resolution of request to the Philadelphia Rapid Transit Company, to issue free transfers at Thirteenth and Fifteenth streets and Girard avenue.

Common Council proceeded to second reading of the resolution.

The resolution was twice read, and agreed to.

The title was agreed to.

So Common Council concurred.

Select Council informed Common Council that they had concurred in the following, to wit:

"An Ordinance selecting a plot of ground on the north-east side of Ann street between Mercer street and Almond street, in the Twenty-fifth Ward, as a park and open public place for the health and enjoyment of the people, and pro-

viding for the payment for the same." (Appendix No. 79.)

"An Ordinance to vacate Hart lane, between Ontario and Tioga streets; and the portion of School lane, north of Ontario street, between Kip and Ella streets." (Appendix No. 89.)

"An Ordinance to authorize the opening of Fifty-sixth street, from Cedar avenue to Hazel avenue, and Hazel avenue, from Fifty-fifth to Fifty-sixth street." (Appendix No. 168.)

"Resolution authorizing the Director of the Department of Public Safety to enter into a contract with the Morris Refuge Association for Homeless and Suffering Animals, for taking up cats and other animals and killing the same, and suspending Joint Rule No. 30 of the Select and Common Councils." (Appendix No. 170.)

Mr. Gratz moved that Common Council do now adjourn.

Which was agreed to.

So Common Council adjourned.

APPENDIX TO THE JOURNAL

OF THE

COMMON COUNCIL

APPENDIX

APPENDIX No. 1.

OFFICE OF THE MAYOR.

Philadelphia, April 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I return herewith, without my approval, an ordinance entitled “An Ordinance to make an additional appropriation to the Department of Public Safety (Bureau of City Property), for new pavement around Athletic Park,” for the following reason:

A similar ordinance was passed on June 14, 1906, by your Honorable Bodies, and I vetoed it with the following message:

“I have this day approved an ordinance entitled “An Ordinance to authorize a certain transfer from the Department of City Treasurer to the Department of Public Safety and Department of Public Health and Charities,”

with the exception of the following item:

“To Department of Public Safety, Bureau of City Property, to Item 47, for laying patent pavement around Athletic Park, five thousand dollars,” reducing the amount to be transferred from Item 15 of the City Treasurer for estimated interest, etc., from forty thousand five hundred and thirty-three (40,533) dollars to thirty-five thousand five hundred and thirty-three (35,533) dollars.

I do this because the Director of Public Safety writes me as follows:

“I have not heard any complaint or any expressed desire that the City should lay a patent pavement around Athletic Park,”

and for the further reason that I have myself inspected Athletic Park and find that there is a brick pavement in excellent condition around Athletic Park, and there seems to be no reason for throwing away this good pavement and going to the expense of a patent pavement.

I understand the conditions have not changed, and I therefore feel constrained to veto it again.

Yours very truly,

JOHN WEAVER,

Mayor.

APPENDIX No. 2.

OFFICE OF THE MAYOR.

Philadelphia, April 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I return herewith, without my approval, an ordinance entitled “An Ordinance to authorize the opening of Webster street, from Thirteenth street to a point about sixty feet eastward,” for the following reasons:

I have received a letter from the Chief Engineer of the Bureau of Surveys, approved by the Director of the Department of Public Works, which is as follows:

“I herewith return Ordinance No. 1139, ‘An Ordinance to authorize the opening of Webster street, from Thirteenth street to a point about sixty feet eastward.’

“The assessed value of the two properties affected by the opening of the street is \$2,900; Councils Com-

mittee on Highways reported the estimated damages at \$8,000. The opening will be of no benefit to any one except the owners and tenants of property abutting on Webster street, between Twelfth and Thirteenth streets, and I do not think there is sufficient public necessity to justify the City in assuming the entire cost of opening, therefore I cannot recommend the approval of the ordinance.

"I attach a plan showing how the property would be affected by the opening."

For the reasons set forth above, I disapprove of the ordinance.

Yours very respectfully,

JOHN WEAVER,

Mayor.

APPENDIX No. 3.

OFFICE OF THE MAYOR.

Philadelphia, April 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I return herewith, without my approval, an ordinance entitled "An Ordinance to authorize the opening of Logan street, from Pulaski avenue to Wayne avenue," for the following reasons:

I have received a letter from the Chief Engineer of the Bureau of Surveys, which is as follows:

"I return herewith Ordinance No. 1148 to authorize the opening of Logan street, from Pulaski avenue to Wayne avenue.

"There does not appear to be any urgent public necessity for the opening of this portion of Logan street at this time; its usefulness would be entirely local as accommodating residents of the immediate vicinity or providing for the development of abutting property.

"The damages are estimated at \$8,000 and the cost of grading at \$3,500, and as I do not think the public interest warrants such an expenditure for this street, I cannot recommend the approval of the ordinance."

For the reasons set forth above, I disapprove of the ordinance.

Yours very respectfully,

JOHN WEAVER,

Mayor.

APPENDIX No. 4.

OFFICE OF THE MAYOR.

Philadelphia, April 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I return herewith, without my approval, an ordinance entitled "An Ordinance to authorize the opening of the Boulevard to its full width, from Second street to Adams avenue," for the reasons set forth in my Fourth Annual Message, which reads as follows:

"I have never been able to see, however, the necessity for building four magnificent roadways, three hundred feet wide, through the farming districts of the northeast, for the purpose of developing this territory. One road, one hundred feet wide, would accomplish this purpose, and I would strongly urge a revision of the plan, and reducing it to this width northeast of Second street. It would save the City millions of dollars, and would give to this territory all that they can reasonably ask, and a beautiful Boulevard as wide as Broad street is now. A further reason for the revision of the lines of this Boulevard and a reduction of its width is the fact that even now on the line of the Boulevard where it has been constructed and opened to the width of three hundred feet, the bridges that have been constructed are only

one hundred feet wide, and I call attention especially to the report of the Chief Engineer of the Bureau of Surveys, on page 25, under the head 'Boulevard Bridge,' in which he says:

“The Boulevard Bridge over the North Pennsylvania Railroad is an ornamental arch spanning the whole right of way of the railroad and carrying 100 feet in width of the Boulevard—76 feet of macadamized driveway and two 12-foot granolithic sidewalks.’

“This makes one hundred feet of the Boulevard that is carried over on the bridge, and I certainly cannot see the wisdom of building a three-hundred-foot boulevard and reducing it to one hundred feet in width at every bridge. There is certainly no reason for it—for the 300 feet I mean.”

Yours very respectfully,

JOHN WEAVER,

Mayor.

APPENDIX No. 5.

OFFICE OF THE MAYOR.

Philadelphia, April 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I return herewith, without my approval, an ordinance entitled “An Ordinance to authorize the erection by the Trust Company of North America, of a steel and glass awning or canopy in front of and at the entrance to the Rittenhouse Hotel, on the south side of Chestnut street, below Twenty-second street,” for the following reasons:

I have received a letter from the Chief of the Bureau of Highways, approved by the Director of the Department of Public Works, which is as follows:

"I herewith return an ordinance to authorize the erection of a steel and glass awning in front of the Rittenhouse Hotel, on the south side of Chestnut street, below Twenty-second street; and while I would approve of the passage of this ordinance, there is an objection to that portion which states that the height over the pavement to the lowest point shall be but eight feet. This is too low. The ordinance of Councils, regulating the construction of awnings, specifically provides that the height shall not at any point be less than ten feet, and under the rules and regulations of the Board of Highway Supervisors, a clearance of eleven feet is required.

"The plan which was presented by the representatives of the Rittenhouse Hotel to this Bureau showed the lowest point to be apparently eleven feet, and there will be no objection to approving this ordinance, provided the Rittenhouse Hotel will agree to have the lowest point not less than ten feet or in accordance with the rules and regulations of the Board of Highway Supervisors, as the wording of this ordinance conflicts with said rules."

For the reasons set forth above I disapprove of the ordinance.

Yours very respectfully,

JOHN WEAVER,

Mayor.

APPENDIX No. 6.

OFFICE OF THE MAYOR.

Philadelphia, April 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The gentlemen composing the Commission to investigate the affairs of the United Gas Improve-

ment Company to enable them to report the amount of money that would have to be paid to the United Gas Improvement Company in case the lease to them was cancelled at the end of this year, to wit: Messrs. William G. Huey, W. S. Kimball, and Thomas M. Eynon, appointed by me under authority of your Honorable Bodies, have rendered me their final report. I send it to you herewith.

They have examined the reports of the United Gas Improvement Company as rendered to the City Controller; they have visited the Gas Works, and have conducted considerable correspondence with the company. One incident of this correspondence has already been given very hurriedly by the United Gas Improvement Company to every newspaper in the City in order, I presume, to emphasize this incident and to give it publicity, so that it is not necessary for me to refer to it any further.

The report shows very earnest endeavors on the part of the Commissioners to get at the facts to enable them to report to you the information you desired. When they have failed to get the figures that would enable them to determine how much of the real repair items have been charged under other heads to the City they have attempted to get at it in other ways, but have always been blocked in their efforts by the United Gas Improvement Company's refusal to give the desired information, whether of figures or facts.

The Commissioners give a very interesting statement of what gas can be delivered to the consumers for, or how that seventy-five-cent gas to the consumer would still leave a handsome profit to the Company. The Commissioners show conclusively that a large number of items, which should have been charged to repair or expense accounts have been charged against the City and even the expense accounts for warehouses have to very large amounts been charged against the City, and that none of these should be so charged. There are two items in the warehouses alone of \$624,000 and \$346,000 that should not be charged against the City, which have been so charged. It has been impossible for them to figure the amount that the United Gas Improvement Company has charged against the City as betterments and improvements, which should have been

under the head of maintenance and repairs and not charged against the City, because of their inability to get the figures from the United Gas Improvement Company.

I call your special attention to the whole of the report, which is very interesting. The Commissioners have done all in their power to get the information desired. With this report, of course, there is nothing further that they can do and I have made a recommendation in regard to the matter in my annual message. The gentlemen appointed by me on the Commission were appointed not only for their ability, but also because of their absolute integrity. They have done their work well and should receive the thanks of the community for the able manner in which it has been done. There is one item in their report, which, perhaps, I should refer to as I think they unintentionally do an injustice to a very competent City official. I mean City Controller John M. Walton, who is a most careful and upright City official, but he, like a great many other City officials, has an immense amount of work to do with only a limited force. It is impossible for him to do certain expert work when your Honorable Bodies do not furnish him with the experts necessary to do such work, and I think that it is because of the fact that the Commissioners have not realized this that they have referred to him in the way they do in their report.

Yours very respectfully,

JOHN WEAVER,

Mayor.

REPORT OF GAS COMMISSIONERS

Appointed by His Honor, John Weaver, Mayor.

As authorized by Ordinance of Councils, approved 25th day of October, 1906.

RESOLUTION

Authorizing the Mayor to appoint a Commission to examine into all that has been done by the United Gas Improvement Company during the term of the lease of

the Philadelphia Gas Works, and to determine what amount would have to be paid should the City determine to cancel the lease.

Commissioners—William G. Huey, Chairman; W. S. Kimball; Thomas M. Eynon, M. E., Engineer and Secretary.

CLERK'S OFFICE, SELECT COUNCIL.

Philadelphia, February 21, 1907.

This is to certify that the following is a true and correct copy of the resolution passed by the Select and Common Councils on the 25th day of October, A. D. 1906:

RESOLUTION

Authorizing the Mayor to appoint a commission to examine into all that has been done by the United Gas Improvement Company during the term of the lease of the Philadelphia Gas Works, and to determine what amount would have to be paid should the City determine to cancel the lease.

WHEREAS, Under the terms of the lease of the Philadelphia Gas Works to the United Gas Improvement Company, the City, if it so desires, is required to give notice to the said Company on or before July 1, 1907, of its intention to terminate said lease and to comply with all the terms and conditions of Clause 6 thereof, relative to the reimbursement of all sums of money expended by said Company in or about the buildings, apparatus, machinery, mains, pipes, services, connections, meters, appliances, and appurtenances of said works with interest thereon, and in addition thereto the appraised value of the property belonging to the Philadelphia Gas Improvement Company at the date of said lease with interest thereon; and

WHEREAS, The said United Gas Improvement Company is required to file with the City Controller on the first day of February of each year a statement showing in detail the

expenditures during the preceding year for alterations, enlargements, removals, betterments, and improvements made by it in and about the gas works, and the City Controller is given the right to examine, audit and verify the statements so to be filed; and

WHEREAS, The Mayor in a communication to Councils dated September 6, 1906, requested authority to appoint "a commission of business men and engineers and not of accountants" "to examine into all that has been done by the United Gas Improvement Company during the nine years of the lease, and to determine what amount would have to be paid should the City determine to cancel the lease;" therefore, be it

Resolved, By the Select and Common Councils of the City of Philadelphia, That authority be, and is hereby given to the Mayor to appoint a commission of three business men or engineers to examine into all that has been done by the United Gas Improvement Company during the nine years of the lease, and to report to these Councils what sum of money in the aggregate would have to be paid should the City determine to cancel the lease to the United Gas Improvement Company on the 31st day of December, 1907.

Attest,

W. J. MILLIGAN,

Chief Clerk Select Council.

—

To the Honorable John Weaver,
Mayor of Philadelphia.

DEAR SIR:—The Commissioners appointed by you on February 1, 1907, "to examine into all that has been done by the United Gas Improvement Company during the term of the lease of the Philadelphia Gas Works, and to determine what amount would have to be paid should the City decide to cancel lease," beg to submit the following:

The Commission as far as the time has permitted have examined the annual reports rendered to the City Con-

troller by the United Gas Improvement Company, have visited the Gas Works and have had very considerable correspondence with the United Gas Improvement Company in reference to certain matters pertaining to money expended by the said Company. All letters are submitted with this report.

We present below a statement for ten years made to the Controller by the United Gas Improvement Company, (the last two years being estimated), as follows:

Improvements, about	\$9,892,000
Betterments, about	3,151,000
Enlargements, about	280,900
Alterations, about	6,850
Removals, about	21,700
Credits, about	17,650

Interest charges on the above, about \$4,500,000.

After examining the above reports and visiting the plants, the Commission are still of the opinion as expressed in our preliminary reports, that in face of the fact that they have have no repair account or it was so intermingled with their operating expenses (?) and decline to give us any information on that subject whatever, we can only infer that the items of maintenance-repairs are concealed in the amount charged to the City as betterments, extensions and improvements, etc.

After reviewing many of the individual items, which will appear hereafter, the Commissioners are assured that large sums of money have been charged to the City that should have been borne by the United Gas Improvement Company under the head of maintenance-repairs.

The Commission in their correspondence with the United Gas Improvement Company have been explicit, concise and prompt, and had the United Gas Improvement Company desired to exercise the usual business courtesy, many items of interest would have been added to this report.

The Commissioners have repeatedly asked the United Gas Improvement Company for statements of maintenance-repairs accounts and they have invariably fallen back on

the lease, which they state does not require them to make such returns to the City Controller.

Had the Commission been given the power in connection with a Councils' Committee to subpoena witnesses, books, papers, etc., they would have been able to make a report so definite as to leave no doubt in any unbiased mind that the United Gas Improvement Company have, either willingly or otherwise, charged the City under the head of betterments and other items that should have clearly come under the head of maintenance-repairs, and which should be borne by the Company, to the extent of four to ten million dollars.

The United Gas Improvement Company have from time to time, as will be noted in their letters, invited the three Commissioners to examine the vouchers pertaining to items charged to the City, knowing very well that it was impossible to do so. For example: It required the officials of the United Gas Improvement Company three days to gather together the material for one single voucher, and it also required the Commissioners, in connection with the same officials, two hours to examine the above voucher, and even then the results were entirely unsatisfactory to the Commissioners.

There are about 520,000 items which the United Gas Improvement Company have reported to the Controller during the past nine years of the lease. Assuming that it would take one-half an hour to trace through one voucher, it would require to do this work, with a force of fifty men, about five hundred days, so that you can see why the United Gas Improvement Company could afford to be so generous (?) as to constantly repeat the invitation for the Commissioners to verify the vouchers for the items reported to the City Controller.

In view of the above it seems strange to the Commissioners that the United Gas Improvement Company should say that they are willing to aid the Commissioners in their work, and should withhold just the information that is so necessary to prove the exact amount of money they have spent in maintenance-repairs, which amount the citizens of Philadelphia have a right to know.

The Average Cost of Gas Plants.

"The average cost of installing gas works and mains complete, such as in use by the United Gas Improvement Company in Philadelphia, would be \$5.00 per 1,000 cubic feet of gas per annum, but in order to be under rather than over our estimate, we have reduced this figure to \$4.50 per 1,000 cubic feet of gas per annum sold, and, as the U. G. I. have sold last year 7,000,000,000 cubic feet, the cost of reproducing the plant in Philadelphia would be \$31,500,000."

A very low average of repairs of gas works is 3 per cent., therefore the repairs that the U. G. I. should have put on this plant during the past ten (10) years should not be less than \$9,450,000, unless such repairs "Are so intermingled with our operating, etc."

Blank Bills.

An interesting fact discovered by the Commissioners is that the United Gas Improvement Company have, for a number of years, required blank bills from the manufacturers and others, who have supplied them material. The Commissioners wrote them as per our letter of March 8, and their reply of March 17.

Their reply was so evasive and unbusiness-like that further efforts on this line were dropped on account of the limited power of the Commission.

Vouchers.

The Commission find that a very large proportion of the vouchers are bills from the United Gas Improvement Company's Storage Warehouses, and that the examination of the accounts by the Controller's assistants rarely ever reached the vouchers from the parties who furnished the material. As a matter of fact the United Gas Improvement Company prepared two statements; one for themselves and one for the Controller. All the auditing and verification that the Controller's assistants practically did

was to compare the two statements that were already prepared by the United Gas Improvement Company.

Therefore, the Commissioners feel that the Controller, with his assistants, in no sense whatever actually examined, audited, or verified the statements as intended by the lease.

If the Controller did not have competent help in his office he undoubtedly should have reported the same to Councils, so that proper assistance could be obtained to check these vast sums of money, which passed unchallenged through his office.

The Commissioners furthermore feel that the vouchers for supplies delivered from the storage warehouses belonging to the United Gas Improvement Company were not sufficient proof that the supplies were actually delivered and used in the Gas Works of the City.

Lease: Page 23; 7th to 12th line.

“The City of Philadelphia shall have the right at all reasonable hours during the continuance of this contract, by its proper officers, to examine those books of the lessee which show the amount of gas sold and paid for, so as to verify the correctness of said statements.”

Referring to the above clause in the lease we would state that the United Gas Improvement Company furnished affidavits as to the amount of gas sold during the period of the lease; but in no instance has the Controller's office verified the correctness of those statements which have run into millions of dollars. No further comment is necessary.

The Point Breeze Gas Works, as well as the Twenty-fifth Ward Gas Works, when visited by the Commissioners showed that a great deal of care, thought and engineering ability had been bestowed on same. Practically every modern appliance to save labor has been adopted and the Commissioners certainly do agree with the United Gas Improvement Company that the works are the best equipped in the country.

The Commissioners are still impressed from information received and from the visits to the Works of the United Gas Improvement Company, that they have far exceeded the ordinary business prudence and demands of

the future, and have increased its capacity to an extent that will not be needed for some years to come.

As an illustration: The Commissioners on their visit to the Works found about 40 per cent. of the gas-producing apparatus not being used.

Warehouse.

The United Gas Improvement Company have made charges for hauling material to the warehouses and from warehouses to works—charges amounting to about four hundred and sixty-eight thousand (468,000) dollars in ten (10) years, with interest at 6 per cent. amounting to about one hundred and fifty-six thousand (156,000) dollars; making a total cost to the City for this work during the past ten years of about six hundred and twenty-four thousand (624,000) dollars.

They have also made charges for the warehouse account of two hundred and sixty thousand (260,000) dollars in ten years, with interest at 6 per cent. amounting to about eighty-six thousand (86,000) dollars; making a total cost to the City for this work during the past ten years of about three hundred and forty-six thousand (346,000) dollars.

In all the above charges the last two years have been estimated.

The Commissioners are of one opinion that the above amount should be charged to operate expenses and are not to be paid off by the City under any condition.

Mains, Pipes, Etc.

Under this head the United Gas Improvement Company have been and are charging against the City as betterments amounts which clearly come under the head of maintenance-repairs: namely, the replacing of gas mains all over the City. The Commissioners have decided that the following is an equitable ruling of this matter:

All replacements of pipes of the same sizes in the streets, works and connections to houses must be charged to repairs. If the pipes are replaced by pipes of larger capacity, the City is only chargeable for the actual difference

in the amount between the cost of the two sizes of pipes (as if both pipes were new).

1. If a ten-inch pipe, which is defective in any way, is replaced with a ten-inch pipe, the charges must be made including the opening, the closing, and the repaving of the streets to maintenance-repairs.

2. If a ten-inch pipe, which is defective in any way, is replaced by a twelve-inch pipe, the City is chargeable only with the actual amount of the difference between the cost of the ten and twelve-inch pipe (as if both pipes are new), and no charge for opening the streets and repaving the same is chargeable except to maintenance-repairs.

As an illustration of the above: Steam railroads always charge to maintenance-repairs, the renewing of the ties and rails of the same weight. If larger ties and heavier rails have replaced the above, the amount chargeable to improvements is only the difference in cost of the material.

Lease.

About ten years previous to the United Gas Improvement Company's obtaining the lease from the City, a number of prominent citizens of Philadelphia offered to buy the Gas Works and franchise for twenty million (20,000,000) dollars. Very much better terms and figures were offered by a prominent merchant of this City, but Councils at that time deemed it wise not to turn over the Gas Works to private control.

Ten years later this valuable franchise was obtained by the President of the United Gas Improvement Company, for no money consideration whatever, as far as the City itself is concerned.

It is a matter of history, however, that while the City received no money for this valuable franchise, large sums were received by individuals who at that time, directly or indirectly, represented the City of Philadelphia.

The lease as drawn up by the United Gas Improvement Company is so entirely one-sided, that the Commission is amazed that Councils should give so valuable a franchise away without more thoroughly protecting the City of Philadelphia.

Much more can be said upon this subject, but our space is limited.

The Commissioners have discussed to a very great length of time as to why in the lease the people, who were representing the City at that time, allowed the United Gas Improvement Company to draw up a lease where they were not requested to turn the amount of maintenance-repairs for same as they did with improvements, betterments, enlargements, etc.

Betterments.

The word betterments has only come into active use during the past ten or twelve years, and is only used by large manufacturing or transportation companies who make annual reports, because stockholders reading the reports and seeing the word "Betterments" naturally feel that the road or company in which they are interested has improved in value, when, as a matter of fact, if the companies were honest in their statements it should come under the head of maintenance-repairs.

Repairs.

The much-disputed subject, maintenance-repairs, that the Commissioners have had with the United Gas Improvement Company, and on which the United Gas Improvement Company claims they are not required to make any return to the City, we would call your attention to the following pages and lines that probably were not intended to be of any value or cause any trouble, but nevertheless are there, as follows:

Overcharge on Laying Mains and Pipes.

The Commission with a great deal of patience and hard work has succeeded in locating twenty-seven items of laying of pipes, representing the overcharge conditions of the pipe laying in Philadelphia by the United Gas Improvement Company, as follows:

“A” Where old gas mains have been abandoned and new mains substituted.

Street	Dist.	From	To	Size main, old new		Feet aband.	Feet rem.	Date
Camac....	(C)	Berks	Diamond	3"	6"	2,010	Dec., '99
Harvey...	(G)	Wayne	Germantown	3"	8"	2,000	Dec., '98

“B” Where old mains have been replaced with new mains of the same size.

Street	Dist.	From	To	Size main, old new		Feet aband.	Feet rem.	Date.

Frankford..	(?)	Allegheny	Ann	4"	6"	1,453	Apr., '00

The cost of the twenty-seven items of pipe laying, figuring from data received from the Bureau of Water, the United Gas Improvement Company have overcharged the City about 60 per cent., amounting when we consider the great number of pipes that have been laid all over the City during the past nine years the charges that were viewed by the Commission are almost overwhelming.

Main Meters at the Works.

There are in all sixteen meters at the two Gas Works, divided up as follows:

1.—25th Ward Gas Works.

6.—Meters repaired in 1898, amounting to \$14,-
265.00.

2.—Meters required no repairs.

1.—New meter—\$6,225.00.

2.—Point Breeze Gas Works.

4.—Meters required in 1898, amounting to \$11,-
067.00.

2.—New meters in 1902, \$12,918.00.

1.—New meter in 1903, \$6,350.00

Summation of the above is as follows:

10.—Meters were repaired at an expense of \$25,-
332.00.

2.—Meters required no repairs.

4.—New meters which were installed, cost \$25,-
393.00.

These records have been taken by observation of the Gas Commissioners, and have been found to be charged

against the City as per reports filed by the United Gas Improvement Company under the head of improvements and betterments.

The new meters of course should be charged under these heads, but the repairs to the old meters, amounting to \$25,332.00 should be clearly borne by the United Gas Improvement Company.

Approximate estimated value of new buildings (without equipment), as reported by Mr. Jacob Myers, of Jacob Myers & Sons.

1. Point Breeze\$900,000

Prices as if erected at the present time.

2. Twenty-fifth Ward Works\$250,000

When these buildings were erected the cost was about 15 per cent. less. Coal house is included.

It would take at least one month to make exact estimate of cost of all new buildings, and would cost about \$1,000.

We find from the United Gas Improvement Company's statement that the insurance on all properties is only \$1,190,335.00

In revising the above items, the Commissioners firmly believe that further and more extensive investigation will bear out the fact that the United Gas Improvement Company have charged to improvements, betterments, and extensions the above large amounts that should have been charged to repairs.

Recommendations.

There shall be a board of gas and electric light Commissioners consisting of three persons, citizens of this Commonwealth, one of whom shall annually, before the first day of July, be appointed by the Governor, with the advice and consent of the Council, for a term of three years from said day. The Commissioners shall be sworn to the faithful performance of their official duties. They shall not be in the employ of or own any stock in any gas or electric light company, or be in any way, directly or in-

directly, pecuniarily interested in the manufacture or sale of gas or electric light, or of any article or commodity used by gas or electric light companies, or used for any purpose connected with the manufacture or sale of gas or electric light, and shall not engage in any other business. The Governor shall designate the Chairman of the Board and may, with the advice and consent of the Council, remove any member for cause after notice and hearing. The Chairman of the Board shall receive from the Commonwealth an annual salary of four thousand dollars, and each of the other two members an annual salary of three thousand five hundred dollars. The Board shall be provided with an office in the State House or in some other suitable place in the city of Boston, in which their records shall be kept.

EXAMINATION.

Method of Procedure.

We quote the following from the reports of the Auditors of the Boston Consolidated Gas Company, as pertinent to the matter under consideration:

“We have traced all receipts from their sources to their final deposit in bank, have satisfied ourselves to the legitimacy of all payments, and have given particular attention, as requested, to the possibility of the existence of secret funds or hidden payments among these transactions. Our examination, covering, as it has, all cash received and all disbursements made has disclosed no such secret funds or payments during the period of our audit.

“During the progress of the examination we assured ourselves in regard to the adequacy and accuracy of the book-keeping system now in use, and further investigated carefully to discover whether or not this system was being actually carried out in practice daily and hourly throughout the period, and whether the book-keeping details were subjected regularly to suitable methods of internal check and audit.”

The above is the method that should be employed by your Commission in reference to the United Gas Improvement Company's account with the City.

There are many other features in the United Gas Improvement Company's dealings with the City which have come to the Commission's notice and which we believe are true, but which cannot be proved until the Commission is empowered with competent authority to subpoena witnesses, books, papers, etc.

Money Alleged to Have Been Expended by the United Gas Improvement Company.

The amount of money alleged to be expended by the United Gas Improvement Company, as per statement (the last year being estimated), is about \$13,500,000, and the interest charges on same about \$4,500,000. The amount of the appraisement of the Philadelphia Gas Improvement Company's Plant, about \$1,000,000 together with the supplies on hand, which the City has an option of taking, amounting to very much less than \$1,000,000, making a total of about \$20,000,000, as per the United Gas Improvement Company's reports required by the City to take back its works.

Money Received.

The City will have received from the United Gas Improvement Company during the past ten years (estimating the last year's account), about \$5,200,000. The United Gas Improvement Company have received \$46,800,000 from the sale of gas.

Recommendation.

We believe that a corporation taking over the Philadelphia Gas Works and paying to the United Gas Improvement Company the amount that in equity is due them at the end of this ten-year period, can furnish gas for the balance of the lease (20 years) to the consumer at seventy-five cents per thousand cubic feet, and earn in the period over \$50,000,000, assuming that the consumption of gas continues to increase as in the last ten years.

Comparisons of capacity of the Philadelphia Gas Works in 1897, as per annual report, and the present plant as operated by the United Gas Improvement Company in 1905:

Gas manufactured in twelve (12) months (the last month of 1897 being estimated, as the plant was turned over to the United Gas Improvement Company on November 1)4,777,310,000 cu. ft.

Gas manufactured by the United Gas Improvement Company in 1905 (the last records that have been examined by the Controller's office), including that furnished to the City—lights, buildings, etc...7,600,000,000 cu. ft.

The daily average production in 1897 of the Philadelphia Gas Works was14,303,323 cu. ft.

Philadelphia, February 6, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—Will you kindly furnish the following information: How much has your Company expended on *total repairs* during the time of the present lease, viz., nine years?

1. Total amount of repairs expended on buildings?
2. Total amount of repairs expended on gas apparatus and on machinery used in and for the manufacture of gas?
3. Total amount of repairs expended on streets?

Please keep these items separate and as much in detail as you can possibly give us.

It is also the Commissioners' wish that you would supply them with the names of the large manufacturers and contractors from whom you ordinarily purchase your material or who do your work.

Yours very truly,

(Signed) THOMAS M. EYNON,

Secretary.

Philadelphia, February 7, 1907.

MR. THOMAS M. EYNON,

Secretary, Room 504 City Hall, Philadelphia.

DEAR SIR:—I beg to acknowledge receipt of yours of the 5th inst.

The items concerning which you ask for a statement in detail, and the totals expended, have been treated as part of our operating expenses, and have been so intermingled with them that it would involve a very considerable amount of time and labor to separate and classify them.

No portion of any of these amounts, however, ever entered into the annual statements furnished to the Controller.

It would also involve a considerable amount of time and labor to state the names of the large manufacturers and contractors from whom, from time to time, we purchased our material and who did our work.

The names of the persons and firms with whom we have dealt both in a large and in a small way, who have done work in connection with the items in the annual statements, appear on the vouchers submitted to the Controller when the annual statements were audited, examined and verified, which vouchers are at your service for the fullest examination.

Yours very truly,
(Signed) THOMAS DOLAN,
President.

Philadelphia, February 11, 1907.

MR. THOMAS DOLAN,
President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—Will you please furnish the Commission the following information:

1. Are your storage warehouses built on the real estate owned by the City of Philadelphia or on real estate purchased by your Company?

2. Have the warehouses been built at the expense of your Company or of the City of Philadelphia?

3. What is the value of the horses, wagons, carts and harness used in and about the streets and gas works?

4. Do they belong to the City of Philadelphia or to your Company?

Awaiting your reply, we remain,

Yours respectfully,
(Signed) THOMAS M. EYNON,
Secretary.

Philadelphia, February 12, 1907.

MR. THOMAS M. EYNON,

Secretary, Commissioners of Philadelphia,
Room 504, City Hall, Philadelphia.

DEAR SIR:—I beg to acknowledge receipt of yours of the 11th inst.

I answer your questions in the order you put them:

1. There is but one storage warehouse. It is located at 19th and Allegheny avenue. The United Gas Improvement Company is the lessee thereof. It is not located on the real estate belonging to the City of Philadelphia and does not belong to it. There are some small supply shops which could not be characterized as storage warehouses. Some of these are on the property of the City. Some belong to the United Gas Improvement Company as lessee of third parties.

2. Of course no expense connected with the storage warehouse and with supply shops not belonging to the City has been charged to it. Such small supply shops as belong to the City, and as have been from time to time improved, have been improved at its expense. The aggregate of cost of such improvements has been very trifling. The detail thereof appears in our annual statements and is explained by the vouchers, which are at your service.

3 and 4. The value of the horses, wagons, carts and harness used in and about the streets and gas works, belonging to the City of Philadelphia, is \$11,456. The rest of the horses, wagons, carts and harness so used belong to the United Gas Improvement Company, and no charges concerning any of these articles have appeared in the annual statements.

Yours respectfully,
(Signed) THOMAS DOLAN,
President.

Philadelphia, February 18, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—On Wednesday, February 13th, the Commissioners called at your office and requested to see certain original bills from the manufacturers, covering large amounts of pipe. You promised to have this information inside of twenty-four hours, and then notify the Commission.

We have not yet been notified. Awaiting your prompt reply, we remain,

Yours very truly,

(Signed) THOMAS M. EYNON,

Secretary.

Philadelphia, February 19, 1907.

THOMAS M. EYNON, Esq.,

Secretary, Gas Commission, City Hall, Philadelphia.

DEAR SIR:—In the absence of Mr. Thomas Dolan, President, your letter of the 18th, addressed to him, has been referred to me.

The information which, on the 13th instant, you asked for involved considerable labor, inasmuch as a single item made necessary the tracing of 800 store-room slips.

You were told not that it would take 24 hours but two or three days, and that I would telephone you as soon as the matter was ready.

On Monday afternoon at 3.30, I called your office on the telephone for the purpose of saying that the desired data had been collected, but was advised that your Commission had left for the day.

It is ready for your inspection whenever it will suit your convenience to call.

Yours respectfully,

(Signed) PAUL THOMPSON,

Asst. to Third Vice-President.

Philadelphia, March 5, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—In order that the Commissioners may satisfy themselves that they have not been unreasonable in reference to the item of repairs, betterments and improvements, will you please furnish us with such statements that cover the material and labor that go into the above items, and such other figures that may be of interest to the City of Philadelphia?

Yours very truly,

(Signed) THOMAS M. EYNON,

Secretary.

—
Philadelphia, March 7, 1907.

MR. THOMAS M. EYNON,

Secretary, Gas Commission, City Hall, Philadelphia.

DEAR SIR:—We acknowledge receipt of yours of the 5th instant, in which you state that in order that the Commissioners may satisfy themselves "that they have not been unreasonable in reference to the items of repairs, betterments, and improvements," you desire us to furnish you "with statements of material and labor that go into the above items, and such other figures that may be of interest to the City of Philadelphia."

I must confess that I do not quite understand your question; but if it asks us to furnish you information concerning anything other than the matters for which we have asked credit against the City in our annual statements, we decline to do so.

The vouchers and memoranda to which you have heretofore been offered access, which offer on our part is a continuing one, will furnish you if you examine the same, with the amount of material and labor for which in each case of betterment or improvement credit is claimed.

If upon your examination of these vouchers and memor-

anda you require oral explanations concerning them, such oral explanations will be given.

Yours very truly,

THE UNITED GAS
IMPROVEMENT COMPANY,

(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 5, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—On February 6th we wrote you in reference to repairs of buildings, streets, works, etc., and, quoting from your letter of February 7th, in which you state that the repair account we ask for “have been treated as part of our operating expenses and have been so intermingled with them that it would involve a very considerable amount of time and labor to separate and classify them.”

Your reply is now about one month old and we write to ask you whether you have found time to give us the information as per our favor of February 6th, namely:

1. The total amount of repairs expended on building?
2. Total amount of repairs expended on gas apparatus and on machinery used in and for the manufacture of gas?
3. Total amount of repairs expended on streets?

Trusting we may have this information at an early date, we remain,

Yours very truly,

(Signed) THOMAS M. EYNON,
Secretary.

Philadelphia, March 5, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—Referring to our correspondence with you in reference to repairs, which you say are included in the

operating expenses, will you please give us the percentage on the capital invested, or the number of cents per thousand cubic feet of gas manufactured that you have charged to operating expenses; and, in this connection, send us the percentage or cost per thousand cubic feet that you charged for repairs.

Yours very truly,
(Signed) THOMAS M. EYNON,
Secretary.

Philadelphia, March 7, 1907.

MR. THOMAS M. EYNON,
Secretary, Gas Commission, City Hall, Philadelphia.

DEAR SIR:—We acknowledge receipt of your two favors of the 5th instant, in which you inquire as to “the percentage on the capital invested” expended by us in “repairs included in operating expenses;” as to the “number of cents per thousand cubic feet of gas manufactured” we have “charged to operating expenses;” as to the “percentage or cost per thousand cubic feet charged for repairs;” as to the “total amount of repairs expended on buildings;” as to the “total amount of repairs expended on gas apparatus and machinery used in and for the manufacture of gas;” and as to the “total amount of repairs expended on streets.”

You also add in one of your communications upon this subject these words: “Your reply is now about one month old and we write to ask you whether you have found time to give us the information.”

We informed you immediately upon receipt of your letter of the 6th of February, that we would not give you information concerning our expenditures for repairs, as such expenditures had not been claimed as reimbursable by the City.

We repeat our refusal.

Our expenses for operating expenses, which include all repairs, are matter of private business.

We repeat our willingness, expressed repeatedly, to give

you the fullest possible information concerning any and every item of expenditure charged by us against the City of Philadelphia, and to permit you to examine the works themselves in order that you may inform yourselves to such extent as you may see fit, of their condition.

Very truly yours,

THE UNITED GAS
IMPROVEMENT COMPANY,
(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 5, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—In order to get some additional facts in reference to the amount of money that would be required by the City of Philadelphia to take back the Gas Works at the end of this year, it is necessary for the Commission to have at its command the following information:

1. The maximum number of cubic feet the Philadelphia plant is capable of making in twenty-four hours?
2. Average number of cubic feet of gas your Company delivers in twenty-four hours to the holders —
 - a. Coal gas?
 - b. Water gas?
3. The cost per thousand cubic feet of gas delivered to the holders?
4. The cost of distribution or the cost of gas at the burner?

Trusting we may have this information at a very early date, we remain,

Yours very truly,

MR. THOMAS M. EYNON,

Secretary, Gas Commission, City Hall, Philadelphia.

DEAR SIR:—We acknowledge receipt of yours of the 5th instant, in which you ask certain questions about the maximum number of cubic feet of gas the Philadelphia Gas Works is capable of making in 24 hours, and the average number of cubic feet of gas the Philadelphia Gas Works delivers in 24 hours to the holders; the cost per thousand cubic feet of gas delivered to the holders; the cost of distribution; and the cost of gas at the burner.

1. The maximum working capacity of the plants of the Philadelphia Gas Works is about 41,000,000 cubic feet in 24 hours.

2. The maximum number of cubic feet of gas delivered from the holders on one day during 1906 was 39,057,000 cubic feet.

Our books show no daily average of the cubic feet of gas delivered, because no advantage would result therefrom, owing to the great difference in deliveries according to the season of the year, the day of the week, and weather conditions. The total number of cubic feet of gas delivered to consumers during the year 1906 was 7,075,631,682, of which 632,060,352 cubic feet were delivered to the City of Philadelphia for its public purposes.

We decline to inform you as to the cost to us of gas delivered to the holders; as to the cost to us of distribution; or the cost to us of gas at the burner.

Very truly yours,

THE UNITED GAS
IMPROVEMENT COMPANY,

(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 8, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—Referring to our several conversations in reference to blank bills that your Company has required in the past from manufacturers who have supplied your Company with material, the Commissioners would like to know—

1. How long was this practice in use?
2. When was this practice discontinued?
3. Please state your object in asking for blank bills.

Yours very truly,

(Signed) THOMAS M. EYNON,
Engineer and Secretary.

Philadelphia, March 12, 1907.

MR. THOMAS M. EYNON,

Engineer and Secretary, The Gas Commission,
City Hall, Philadelphia.

DEAR SIR:—Your favor of the 8th instant received. I have inquired from Messrs. Thompson & Marshall, who have represented the Engineering and Accounting Departments of the Philadelphia Gas Works on the occasions of your calls at this building, as to what you mean when you say:

“Referring to our several conversations in reference to blank bills that your Company has required in the past from manufacturers who have supplied your Company with material, the Commissioners would like to know—

1. How long was this practice in use?
2. When was this practice discontinued?
3. Please state your object in asking for blank bills.”

They report to me that the only reference to anything of the kind was on February 21, when Messrs. Huey & Eynon

were at this building, and during the conversation Mr. Eynon asked if we had blank bills submitted to us. In response to an inquiry as to his purpose in asking the question, he stated that by that means we would be able to have a bill, which apparently was the original, changed so that the price would be greater than the price we actually paid.

The insinuation that this Company may have perpetrated a fraud by inserting in duplicate bills prices different from those charged to it in the original, ought never to have been made, and would not have been made had the Commissioners examined the vouchers offered them, which would have shown them that the vouchers the City Controller had examined were filled in as to prices in the same handwriting as were the other portions of the bill. The duplicate bills were blank as to prices only, not as to quantities.

Of course there was no foundation for this insinuation.

Long before its lease of the Philadelphia Gas Works, this Company, on its orders for construction material for gas apparatus, and for that only, printed in red ink the following words: "Send bill in duplicate with bills of lading to this office at once upon shipment of goods, omitting all prices from duplicate bill."

These duplicate bills were those which were to be sent to employees to ascertain whether quantities were received in accordance with those charged and to check if correct.

The purpose in omitting prices was to keep from those not entitled to know, the prices paid, inasmuch as we are usually able to buy below the market. The original bills went to the purchasing department and were checked upon the return to it of the duplicate bills checked by those who had received the material.

I repeat what has been so frequently said to your Commission, that the bills and vouchers for all sums charged against the City are subject to your inspection.

Very truly yours,

THE UNITED GAS

IMPROVEMENT COMPANY,

Vice-President.

Philadelphia, March 8, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—The Commissioners would very much appreciate if you will supply us the plans of the grounds and buildings, showing in outlines the machinery used therein, of the Philadelphia Gas Works at the time the Works were turned over to your Company.

We would also like to have plans of grounds, buildings, etc., as above, as the Works are at the present time.

With very kind regards, we remain,

Yours very truly,

(Signed) THOMAS M. EYNON,
Engineer and Secretary.

Philadelphia, March 11, 1907.

MR. THOMAS M. EYNON,

Secretary, Gas Commission, City Hall, Philadelphia.

DEAR SIR:—Answering your favor of the 8th instant, saying that you would very much appreciate it if we would furnish you plans of the grounds and buildings of the Philadelphia Gas Works as they stood at the time the lease was made and as they stand at the present time, we will say that we will endeavor to comply with your request in this particular at the earliest possible moment.

Very truly yours,

THE UNITED GAS
IMPROVEMENT COMPANY,

(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 11, 1907.

THOMAS M. EYNON, Esq.,

Engineer and Secretary, The Gas Commission,
City Hall, Philadelphia.

DEAR SIR:—Have you a contract with the Equitable Illuminating Company for the purchase or sale of gas? Will you oblige us by giving us full particulars of that contract and the price of gas?

We have been informed that you have a contract for the delivery of gas in the holder at thirty-two cents per thousand cubic feet.

Yours very truly,

(Signed) THOMAS M. EYNON,
Engineer and Secretary.

Philadelphia, March 13, 1907.

MR. THOMAS M. EYNON,

Engineer and Secretary, The Gas Commission,
City Hall, Philadelphia.

DEAR SIR:—You ask in your letter of the 11th instant, whether this Company has a contract with the Equitable Illuminating Company for the purchase or sale of gas and for full particulars of that contract and the prices of gas.

The matter about which you inquire concerns the private business of this Company, and is not in any way within the scope of your investigation.

Yours very truly,

THE UNITED GAS
IMPROVEMENT COMPANY,

(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 11, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—In further reply to your favor of February 7th, also of March 7th, and from the interview of the Commissioners with your representatives, you state that you do not keep a repair account, and therefore could not give us the amount of money so expended.

In this connection we would call attention to the fact that you stamp your vouchers with the word "Repairs," which conclusively proves that you do keep a repair account, and we do insist that this is the City's business, and that you furnish the Commission with the amount of money expended on repairs during the past nine years.

Yours very truly,

(Signed) THOMAS M. EYNON,
Engineer and Secretary.

Philadelphia, March 13, 1907.

MR. THOMAS M. EYNON,

Engineer and Secretary, The Gas Commission,
City Hall, Philadelphia.

DEAR SIR:—We beg to acknowledge receipt of yours of the 11th inst., in which you refer to what you say was stated by representatives of this Company in interviews with the Commission to the effect that the Company does "not keep a repair account and therefore could not give the amount of money so expended." What was stated in this respect will appear in our letter of February 7th, in which we said:

"I beg to acknowledge receipt of yours of the 7th instant.

"The items concerning which you ask for a statement in detail, and the total expended, have been treated as part of our operating expenses and have been so intermingled

with them that it would involve a very considerable amount of time and labor to separate and classify them.

"No portion of any of these amounts, however, ever entered into the annual statements furnished to the Comptroller."

No different oral statement was ever made, at any time, by any representative of this Company. Accounts have been, and are kept, in which from time to time, repairs have been and are entered. Many vouchers are stamped "Repairs." We could ascertain from our books as kept what has been expended for repairs; but to have given you the detail for which you asked would have entailed a considerable amount of trouble, which we did not, and do not feel it incumbent upon us to take, in view of the fact that repairs are part of our operating expenses, are not included in the annual statements to the Comptroller, and are matters of private business.

We repeat what we have so often heretofore stated, namely, that every item of expenditure charged by us against the City of Philadelphia is subject to your examination.

Very truly yours,

THE UNITED GAS
IMPROVEMENT COMPANY,

(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 11, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—Replying to your favor of March 7th, please give us the following additional information:

The minimum number of cubic feet of gas delivered from the holders on any one day during 1906?

We also wish to know the number of holders and the capacity of each in the Philadelphia Gas Works.

With very kind regards, we remain,

Yours very truly,
(Signed) THOMAS M. EYNON,
Engineer and Secretary.

Philadelphia, March 13, 1907.

THOMAS M. EYNON, Esq.,
Engineer and Secretary, The Gas Commission,
City Hall, Philadelphia, Pa.

DEAR SIR:—In reply to your letter of the 11th instant, asking for information as to the minimum number of cubic feet of gas delivered from the holders on any one day during 1906, and also as to the number of holders and the capacity of each in the Philadelphia Gas Works, I beg leave to say:

The minimum number of cubic feet of gas delivered from the holders on any one day during 1906 was 17,446,000 cubic feet.

There are nineteen holders at the Philadelphia Gas Works. The total storage capacity of these holders is 29,560,000 cubic feet.

Very truly yours,
THE UNITED GAS
IMPROVEMENT COMPANY,
(Signed) SAMUEL T. BODINE,
Vice-President.

Philadelphia, March 20, 1907.

MR. THOMAS DOLAN,
President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—We find many items in your annual statements presenting charges for the cost of laying pipe. We

are under the belief that so far as these are cases of renewing old pipes, the work was not properly betterments, and should not be charged to the City in the event of its re-taking the Gas Works in the present year.

Will you kindly inform us, as soon as possible, which of the items for laying pipe contained in your statements cover instances of replacing old pipe and in which of such instances the new pipe was of larger size than that replaced?

Inasmuch as the items in the statement for laying pipe, to which this communication refers, clearly appear on their faces as such, it seems to be unnecessary that we should designate them otherwise than by the above description.

Yours very truly,
(Signed) THOMAS M. EYNON,
Secretary.

Philadelphia, March 22, 1907.

MR. THOMAS DOLAN,
President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—We desire to ascertain what part of the expenditures set forth in the statement rendered by your Company annually to the City Controller represents replacing or otherwise making good deteriorated parts of the Works which were leased by the City, and what part represents improvement of the Works in the sense of making them in any part of a better plan or design. The statements filed by you with the Controller, as above mentioned, fail to disclose this information upon their surface, except in a comparatively few instances.

On Tuesday last we made an inquiry of this character by word of mouth, through Mr. William G. Huey of our number, with regard to the large meters now in use at the Twenty-fifth Ward and Point Breeze Departments of the Works. On the 20th instant, we addressed you a letter making the like inquiry with regard to the pipe laid in streets. No answer has been received to either question, although we should have supposed that there could have

been no difficulty—particularly as to the former—in making an immediate answer.

In order to avoid similar loss of time with respect to successive inquiries regarding various parts of the Works, we now address to you the comprehensive question mentioned above, namely:

What figures represent correctly the proportion of the aggregate of charges contained in the statement filed by your Company with the City Controller since the year 1897, which includes work done to replace or otherwise make good parts previously deteriorated?

We particularly desire an answer to this inquiry at your earliest convenience. It is regarded by us as material and urgent in order that we may be enabled to perform our duties. Will you facilitate the same by giving us an immediate acknowledgment of this letter and information whether you will furnish the figures desired as soon as they can be obtained by your employees, and also how early we may expect to receive your answer?

Yours very truly,

(Signed) THOMAS M. EYNON,

Secretary.

—

Philadelphia, March 22, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—Mr. Huey, Chairman of this Commission, left a memorandum with you on the 19th instant, asking for certain prices and information in reference to the main meters at the Twenty-fifth Ward and Point Breeze Gas Works.

We would respectfully call your attention to the fact that we have not yet received this information, and trust you will be able to send it to us to-day.

With kind regards, we remain,

Yours very truly,

(Signed) THOMAS M. EYNON,

Engineer and Secretary.

Philadelphia, March 22, 1907.

MR. THOMAS DOLAN,

President of the United Gas Improvement Company,
Philadelphia, Pa.

DEAR SIR:—We find in looking over the accounts rendered to the Controller that repaving, in some instances, is charged under improvements, and in other instances under betterments.

Taking specific cases: for example, July 26, 1900, is charged under the head of improvements; July 12, of the same year, the same thing is charged under betterments.

Furthermore, August 19, 1901, repaving is charged under betterments; in the same year, under date of October 14, the repaving is charged under improvements.

Again, under date of July 25, 1905, we find that repaving has been charged to improvements; and, in the same year, under date of July 15, is charged to betterments.

There seems to be no definite arrangements in your report and we would therefore like your explanation of same. Kindly see that this information reaches us not later than to-morrow at 10 A. M., and oblige,

Yours very truly,

(Signed) THOMAS M. EYNON,
Engineer and Secretary.

Philadelphia, March 26, 1907.

MR. THOMAS M. EYNON,

Secretary, Gas Commission, City Hall, Philadelphia.

DEAR SIR:—I am in receipt of your letter of the 22d instant, in which you ask for an explanation of why repaving is charged in our accounts sometimes under the head of "Improvements," and sometimes under the head of "Betterments." Whether charged under one or the other head is immaterial so far as regards any question

between this Company and the City of Philadelphia, inasmuch as the latter is responsible for both; but if you care for an explanation of what you ask, you will find it in the vouchers themselves, which are now and have always been open to your inspection.

Yours very truly,
(Signed) PAUL THOMPSON,
Assistant to Third Vice-President.

P. S. This kind of book-keeping seems very strange to the Commissioners, namely: that the same class of work should be charged to two different accounts.

Yours respectfully,
W. G. HUEY,
Chairman.
THOMAS M. EYNON,
Engineer and Secretary.

APPENDIX No. 11.

Philadelphia, April 18, 1907.

To the President and Members
of Common Council, City of Philadelphia.

GENTLEMEN:—Since induction into the responsible office of City Treasurer, County of Philadelphia, I have been impressed with the fact of the entire absence of any security of the City moneys deposited in our banks and trust companies, save only that arising from the personality of the officers and directors of said institutions.

Under the ordinance approved April 9, 1892, and supplemental ordinances thereto, naming banks and trust companies, the City Treasurer has no discretionary power, but must follow the law.

I am of the firm belief that, First: Only such banks and trust companies as clear through the Philadelphia Clearing House should become depositories; Second: All depositories should give security for the City moneys deposited with them; Third: The rate of interest should be three per cent., or not less than two and one-half per cent.

I submit herewith an ordinance covering the first item, to which I call your attention, requesting your presiding officer to take such steps as will properly place the same before your Honorable Body, and insure its reference to its appropriate Committee.

As to Items 2 and 3, for the present, I deem my official duty performed in calling your attention to the same.

I am, very respectfully yours,

R. R. BRINGHURST,

*City Treasurer,
County of Philadelphia.*

AN ORDINANCE

To regulate the deposits of City moneys by the City Treasurer and to designate the character of banks and trust companies in which said deposits may be made.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That from and after the first day of July, one thousand nine hundred and seven, the moneys of the City which are to be deposited by the City Treasurer under the terms of the ordinance approved April 9, 1892. shall be deposited only in such banks and trust companies as are members of the Philadelphia Clearing House Association, or authorized by the rules of said Association to clear through a member of said Clearing House Association.

SECT. 2. Before depositing any moneys of the City in such bank or trust company, the City Treasurer shall require to be filed with him a certificate signed by the President and attested by the Secretary of the Philadelphia Clearing House Association, certifying that such bank or trust company is a member of the said Association in good standing, or has been authorized by the said Association to clear through a member thereof, and upon the filing of such certificate with the City Treasurer such bank or trust company named therein shall be considered and designated as a depository of the City's money under the terms and provisions of the said ordinance approved April 9, 1892.

SECT. 3. All deposits made under the terms hereof shall be subject to the conditions and provisions of the said ordinance approved April 9, 1892.

SECT. 4. All ordinances or parts of ordinances designating by name certain banks and trust companies as depositories of the City's money, and all ordinances or parts of ordinances inconsistent herewith are hereby repealed; this repeal to take effect the first day of July, one thousand nine hundred and seven, on which date all moneys deposited with banks or trust companies not within the provisions hereof, and which have not complied with the requirements of this ordinance, shall be withdrawn by the City Treasurer and deposited as herein provided.

APPENDIX No. 12.

AN ORDINANCE

To authorize the Pennsylvania Company for Insurance on Lives and Granting Annuities, trustee under the will of Robert W. Ryerss, deceased, to pay the Commissioners of Fairmount Park seventeen thousand four hundred and sixty-eight (17,468) dollars, to be expended for alterations and repairs necessary to adapt the house in Burholme Park for us as a Public Library and Museum.

WHEREAS, Robert W. Ryerss, in and by his last will and testament did, inter alia, give, devise and bequeath, after the death of his wife, all that part of his farm near Fox Chase, with his country seat, called "Burholme," and his dwelling house on the hill, with free access thereto, unto the City of Philadelphia; the house to be fitted up and used as a library, reading room and museum, to be free to the public and the grounds to be used as a park to be called "Burholme Park," and to be free for the use and enjoyment of the people forever; and

WHEREAS, Mary R. Bawn, the widow of the said Robert W. Ryerss, and now the wife of John G. Bawn, has conveyed her life estate in the above mentioned premises to the City of Philadelphia; and

WHEREAS, Said Robert W. Ryerss did bequeath his residuary estate, in trust, to the Pennsylvania Company for Insurance on Lives and Granting Annuities, for the period of twenty years, and directed that the income de-

rived from one-fourth of the said residuary estate be spent by the said Pennsylvania Company for Insurance on Lives and Granting Annuities, in purchasing books to be placed in the library and reading room to be maintained in the house in "Burholme Park;" and

WHEREAS, The said house situated in "Burholme Park," which is to be maintained by the City of Philadelphia as and for a public library and reading room, is in such bad repair and condition that it will be necessary to make extensive repairs and alterations to adapt it for such use; and

WHEREAS, By ordinance approved the twenty-seventh day of July, 1905, the Commissioners of Fairmount Park were authorized and directed to assume the care, management and maintenance of the said "Burholme Park," and further authorized and directed to fit up the said house for use as a public library, reading room and museum, therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain,* That the Pennsylvania Company for Insurance on Lives and Granting Annuities, trustee under the will of the said Robert W. Ryerss, be, and it hereby is authorized and requested to pay over to the Commissioners of Fairmount Park the sum of seventeen thousand four hundred and sixty-eight (17,468) dollars out of the income in its hands derived from the residuary estate of the said Robert W. Ryerss, to be expended by the said Commissioners of Fairmount Park in making the alterations and repairs necessary to adapt the said house in "Burholme Park" for use as a public library, reading room and museum.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to

regulate the running of omnibuses in the City of Philadelphia, and providing for the licensing thereof," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John W. Ford (*Ch'n*), Thos. J. Morton, W. A. Miller, Jos. R. C. McAllister, Chas. A. Gillingham, Geo. B. Davis, John Bethke, John W. Whitaker, John H. Stokley, H. J. Trainer, Thomas W. MacFarland, Chas. R. Campbell, Frank H. Caven, Morris Rosenberg, A. C. McAvoy, Wm. J. Harrington, Thos. J. Duff.

AN ORDINANCE

To regulate the running of omnibuses in the City of Philadelphia and providing for the licensing thereof.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That any person, firm or corporation desiring to run omnibuses in or upon any of the streets of the City of Philadelphia shall make application to the Department of Public Works (Bureau of Highways) for licenses to run such omnibuses. The said application shall contain the name or names and residences of the person or persons applying therefor, or, if a firm, of the persons composing such firm. If such applicant shall be a corporation, the corporate name and place of incorporation, with the names and residences of the officers thereof shall be stated. The said application shall further state the number of omnibuses to be licensed, the route or routes over which they are to be run, the weight of each omnibus, the number of seats inside and on top thereof respectively, together with the number of passengers to be carried in and on each omnibus, and such other information as the Bureau of Highways shall require, and the applicant shall likewise file with said application the receipt or receipts of the Receiver of Taxes for the amounts hereinafter provided to be paid for said licenses. Upon the filing of such application and receipt, the said Bureau of Highways shall each year, where licenses have been issued for a previous year to the said applicant, issue li-

censes in the manner and under the conditions hereinafter named. In the case of new applicants, no license shall be issued until a resolution shall have first passed Councils authorizing the Bureau of Highways to license such new applicant. It is hereby declared to be unlawful to operate or run any omnibus or omnibuses in or upon any of the streets of the City, except in pursuance of a license or licenses to be obtained as herein provided; to carry a greater number of passengers therein or thereon than the number required to be stated as aforesaid; or to make any false statement as to any of the matters required to be set forth in such application, and any person or persons violating any of the provisions of this section shall be subject to a penalty of one hundred (100) dollars for each and every offence. All licenses issued as provided for shall be in force for a period of one year.

SECT. 2. Omnibuses to be licensed, as hereinabove provided, may be drawn by horses, or propelled by electricity, gas, gasoline, compressed air, steam or other mechanical motive power, and shall have a carrying capacity of not less than thirty passengers, nor more than forty passengers. No omnibus shall be licensed which has a carrying capacity of more than forty passengers.

SECT. 3. Before any such licenses shall issue, the person or persons, firm or corporation applying for the same shall pay to the Receiver of Taxes of the City of Philadelphia, for the use of said City, for each license the sum of one hundred (100) dollars. The applicant shall further pay to the Receiver of Taxes each year toward the maintenance of street pavement upon the streets covered by the proposed routes, a sum equal to two cents per square yard of asphalt pavement and one cent per square yard of block and brick pavement for the total yardage of such pavement upon the streets along their whole routes. The amount due hereunder shall be determined by the Department of Public Works (Bureau of Highways), and shall be paid before any license shall issue. The text of the said licenses shall be printed in red letters and shall contain in large black letters of a size easily read, a statement of the amount paid for such license, the weight of the vehicle when loaded,

the number of passengers it is licensed to carry and the number of license, and such license shall be conspicuously displayed in the omnibus for which it was issued. The said Bureau of Highways shall designate an officer or official of said Bureau who is hereby authorized to test the weight of any omnibus at any one time during the year for which it may be licensed, at the expense of the licensee; or, he may test the weight of such omnibuses more than once during said period of one year, the expense for so doing after the first time being borne by the City of Philadelphia. For this purpose the said officer or official may require said omnibus to proceed to the scale of any sworn weigher located within two miles of the depot, yard or stable of the person, firm or corporation owning or controlling said omnibus, and if no sworn weigher shall be located within two miles, then to the one located nearest to said depot, yard or stable, and thereupon it shall be the duty of said person, firm or corporation to cause the said omnibus to be taken or conveyed to such scale, and when by the provisions hereof, he, they or it are required to bear the expense of such test, to pay the fee of said weigher, not exceeding one dollar in each case. Failure to comply with any of the provisions of this section shall subject the person or persons, firm or corporation so failing, to a penalty of one hundred (100) dollars in each and every case.

SECT. 4. The wheels of all omnibuses running on streets paved with asphaltum on any portion of their routes shall be provided with flat tires of the following widths: For any omnibus weighing when loaded not more than five thousand pounds, two and a half inches; for any omnibus weighing when loaded more than five thousand pounds and not more than six thousand pounds, three inches; for any omnibus weighing when loaded more than six thousand pounds and not more than seven thousand pounds, three and a half inches; for any omnibus weighing when loaded more than seven thousand pounds and not more than eight thousand pounds, four inches; for any omnibus weighing when loaded more than eight thousand pounds and not more than nine thousand pounds, four and

a half inches; for any omnibus weighing when loaded more than nine thousand pounds and not more than ten thousand pounds, five inches; for any omnibus weighing when loaded more than ten thousand pounds and not more than eleven thousand pounds, five and a half inches; for any omnibus weighing when loaded more than eleven thousand pounds and not more than twelve thousand pounds, six inches; for any omnibus weighing when loaded more than twelve thousand pounds and not more than fourteen thousand pounds, six and half inches; for any omnibus weighing when loaded more than fourteen thousand pounds and not more than sixteen thousand pounds, seven inches; for any omnibus weighing when loaded more than sixteen thousand pounds and not more than eighteen thousand pounds, seven and a half inches; for any omnibus weighing when loaded more than eighteen thousand pounds and not more than twenty thousand pounds, eight inches. No omnibus shall be licensed which when loaded shall weigh more than twenty-thousand pounds: *Provided*, That the foregoing provisions as to the width of tires shall not apply to omnibuses fitted with rubber or other resilient tires that may be approved by the Department of Public Works. Any violation of the provisions of this section of the ordinance shall subject the person or persons, firm or corporation offending to a penalty of one hundred (100) dollars for each offence, to be collected and paid into the City Treasury.

SECT. 5. It shall be the duty of the City Solicitor upon being furnished with evidence of any violation of the provisions of this ordinance, to sue before any magistrate, justice of the peace or court having lawful jurisdiction, and to collect and recover for the use of the City of Philadelphia the penalty or penalties for such violation in the same manner as debts of like amount are by law recoverable.

SECT. 6. The provisions of this ordinance, except those of Section 4, shall apply only to such omnibuses as shall be regularly and continuously run upon the streets of the City for the conveyance of passengers. The provisions of Section 4 of this ordinance shall apply to all omnibuses.

The fees for the licensing of omnibuses other than those regularly and continuously run upon the streets for the conveyance of passengers shall remain as now fixed by ordinance.

SECT. 7. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 29.

Philadelphia, May 2, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to authorize the erection, by The Trust Company of North America, of a steel and glass awning or canopy in front of and at the entrance to the Rittenhouse Hotel,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John W. Ford (*Ch’n*), Thos. J. Morton, W. A. Miller, Jos. R. C. McAllister, Chas. A. Gillingham, Geo. B. Davis, John Bethke, John W. Whitaker, John H. Stokley, H. J. Trainer, T. W. MacFarland, Chas. R. Campbell, Frank H. Caven, A. C. McAvoy, Morris Rosenberg, Wm. J. Harrington, Thos. J. Duff.

AN ORDINANCE

To authorize the erection, by The Trust Company of North America, of a steel and glass awning or canopy, in front of and at the entrance to the Rittenhouse Hotel, on the south side of Chestnut street, below Twenty-second street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain, That permission be, and*

is hereby granted to The Trust Company of North America to erect, over and across the footwalk in front of the entrance to the Rittenhouse Hotel, on the south side of Chestnut street, below Twenty-second street, an awning or canopy, to be constructed on a steel frame and covered with ornamental copper work, the top or roof of the same to be of glass, to be protected by heavy wire guards. The same to extend over the building line to the curb line, with an extreme width of fourteen feet, and of a height over the pavement to the lowest point of eleven feet nine inches, and to the crown of highest point of nineteen feet. Said awning or canopy to be constructed in conformity with the rules and regulations of the Board of Highway Supervisors, after permit has been issued by the said Board, and shall be completed and in all respects satisfactory to the Department of Public Works: Said awning or canopy to be removed at any time upon the passage of an ordinance or resolution to that effect. Fifty (50) dollars shall be paid into the City Treasury by the said The Trust Company of North America for the printing of this ordinance.

All ordinances or parts of ordinances inconsistent with this ordinance be, and the same are hereby repealed.

Public Works (Bureau of Surveys): *Provided*, That in all cases where the property on the line of the sewers herein authorized are assessed at suburban rates, excepting on Mascher street, the owners of such property shall first file an agreement to pay the regular frontage charges: *Provided, however*, That no permits shall be issued for the drainage of any property in said Mascher street until the regular frontage charges shall be paid.

APPENDIX No. 37.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the widening of Oxford avenue, from Frankford avenue to Leiper street,” respectfully report that Oxford road is a very old road, having been laid out in the year 1767, leading from Frankford to Fox Chase and beyond. We believe it is destined to become of greater importance yearly. Oxford road crosses the new proposed Torresdale Boulevard about one mile north of Frankford, and is one of the main arteries of travel. It is very desirable that the portion between Frankford avenue and Leiper street be widened to sixty feet. The cost of widening will be considerable, but we believe it will be justified by the public benefit to be obtained. We submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Geo. B. Edwards, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To authorize the widening of Oxford avenue, from Frankford avenue to Leiper street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to widen Oxford avenue to the width of sixty feet, from Frankford avenue to Leiper street.

APPENDIX No. 38.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to strike Osage avenue, between Fifty-ninth and Sixtieth streets, from the City plan and to place on the plan Osage avenue and Addison street,” respectfully report that Osage avenue was placed upon the plan of the width of fifty feet for drainage purposes and is not legally open; it can be stricken from the City plan without disadvantage and the proposed Osage avenue made the drainage street. We submit the annexed ordinance for your consideration and ask its passage.

John P. Connelly (*Ch’n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Wm. C. Gross, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Geo. B. Edwards, Harry C. Ransley.

AN ORDINANCE

To strike Osage avenue, as now plotted, between Fifty-ninth and Sixtieth streets from the City plan, and to place on the plan Osage avenue and Addison street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of

Public Works (Board of Surveyors) be authorized and directed to strike from the City plan Osage avenue, between Fifty-ninth and Sixtieth streets, as now plotted, and to place on the plan Osage avenue and Addison street, each of the width of forty feet, between Fifty-ninth and Sixtieth streets, and to make the necessary change of grades: *Provided*, That the owners of property affected first file an agreement, satisfactory to the City Solicitor, indemnifying the City against all damages by reason of striking said street from the plan, and shall dedicate the bed of the new streets on the lines and grades as confirmed by the Board of Surveyors, or shall indemnify the City against all damages or claims for damages which may arise by placing said streets on the plan and their subsequent opening to the confirmed lines and grades.

APPENDIX No. 39.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to strike from the plan Adrian street, from Girard avenue to a point north of Girard avenue, and to place on the plan Stiles street, from Leopard to Adrian street,” respectfully report that Adrian street is on the City plan of the width of twenty feet and open from Wildey street to Master street, except a portion two hundred and thirty-one feet in length north from Girard avenue, which is proposed to be stricken off by the ordinance and to substitute a street running east to Leopard street as an outlet. As the said Adrian street is only one hundred feet from Front street and eighty feet from Leopard street there is not much necessity for its opening through to Girard avenue if an outlet is made to Leopard street. As no damage is oc-

casioned to the City we submit the annexed ordinance for your consideration and ask its passage.

John P. Connelly (*Ch'n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George, W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Geo. B. Edwards, Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To strike from the plan Adrian street, from Girard avenue to a point north of Girard avenue, and to place on the plan Stiles street, from Leopard to Adrian street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to strike from the City plan Adrian street, from Girard avenue to a point about two hundred and thirty-one feet north of Girard avenue, and to place on the plan Stiles street, of the width of twenty-five feet, from Leopard to Adrian street: *Provided*, That an agreement or bond, satisfactory to the City Solicitor, be first filed protecting the City from all damages by reason of said changes and agreeing to dedicate the bed of said Stiles street without expense to the City.

APPENDIX No. 40.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to authorize the vacation of Marshall road, from Gray's lane to Sixty-second street; and Gray's lane, from Marshall road to Walnut street," respectfully report that Marshall road

is thirty-three feet wide and leads from Sixtieth street westward into Delaware County; it has been completely vacated east of Sixtieth street as soon as streets have been opened to take the travel. In this vicinity Sixtieth and Sixty-second streets are opened and paved, Sixty-first, Walnut and Spruce streets opened and graded; Locust street is not opened. It would seem, therefore, that travel could be well diverted to the present system of streets. We submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George, W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Thos. J. Duff, H. J. Trainer, T. W. MacFarland Geo. B. Edwards, Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To authorize the vacation of Marshall road, from Gray's lane to Sixty-second street; and Gray's lane, from Marshall road to Walnut street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to vacate Marshall road, from Gray's lane to Sixty-second street; and Gray's lane, from Marshall road to Walnut street, with the exception of the beds of intersecting streets: *Provided*, That an agreement or bond, satisfactory to the City Solicitor, shall first be filed indemnifying the City against all damages by reason of said vacation, and that the bed of Locust street, from Sixtieth to Sixty-second street be dedicated free of cost to the City.

APPENDIX No. 41.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of that portion of Plan No. 163 bounded by Midvale avenue, Fox street, School House lane, and the Philadelphia, Germantown and Norristown Railroad,” respectfully report that as the revision proposed will afford a more desirable system of streets and without increased cost to the City we approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch’n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Geo. B. Edwards. Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To revise the lines and grades of that portion of Plan No. 163 bounded by Midvale avenue, Fox street, School House lane, and the Philadelphia, Germantown and Norristown Railroad.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise that portion of Plan No. 163 bounded by Midvale avenue, Fox street, School House lane, and the Philadelphia, Germantown and Norristown Railroad: *Provided*, That the executors of the estate of William G. Warden, deceased, shall first dedicate to public use all streets or portions of streets within the boundaries of said revision that belong to the said estate.

All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 42.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades of Mill street, from Erdrich street to Holmesburg avenue; and Welsh street, from Erdrich street to Walker street,” respectfully report that Mill street is open thirty-three feet wide and on the plan fifty feet wide. The object of the ordinance is to revise the lines of Mill street, so as to widen all on the north side instead of an equal widening as now proposed, and to revise the grades on Welsh street to more nearly conform to the physical conditions. To widen Mill street equally would destroy the buildings and scales of existing coal and lumber yard. The expense for the revision proposed will be less than to open and improve as now upon the City plan. We submit the annexed ordinance for your consideration and ask its passage.

John P. Connelly (*Ch’n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Geo. B. Edwards, Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To revise the lines and grades of Mill street, from Erdrich street to Holmesburg avenue, and Welsh street, from Erdrich street to Walker street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to revise the lines and grades of Mill street, from Erdrich street to Holmesburg avenue; and Welsh street, from Erdrich street to Walker street, in the Forty-first Ward, and to make the necessary revision of the lines and grades of adjacent streets.

APPENDIX No. 43.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to authorize the revision of the lines and grades of Oxford avenue, from Leiper street to the Boulevard,” respectfully report that Oxford road is open forty feet wide and on the plan seventy feet wide. The object of the ordinance is to revise the lines, so as to straighten the old road and to increase the width to one hundred feet. Oxford road is the principal road leading from Frankford to Fox Chase, crossing the Boulevard at or near Castor road. It is desirable to provide a direct and adequate connection between Frankford and the Boulevard. As Oxford road passes almost entirely through farm property, the expense for straightening and widening will be less now than at a future time. The additional cost for widening will be twenty thousand (20,000) dollars. We submit the annexed ordinance for your consideration and ask its passage.

John P. Connelly (*Ch’n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Geo. B. Edwards, Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To authorize the revision of the lines and grades of Oxford avenue, from Leiper street to the Boulevard.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to revise the lines and grades of Oxford avenue, from Leiper street to the Boulevard, so as to make it one

hundred feet wide, and to make the necessary revision of the lines and grades of adjacent streets: *Provided*, That the portions of the old road stricken from the plan shall not be closed until the new street is opened.

APPENDIX No. 44.

Philadelphia, May 16, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to place the care and maintenance of Kingsessing avenue, between Forty-third and Forty-fifth streets, in the Bureau of City Property,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch’n*), Henry F. Kennedy, Edwin S. Ward, Chas. A. Kauffman, George W. Conrad, Frank Weideman, Herbert U. Porter, Jas. D. Winchell, C. F. Gramlich, George Schmidt, Thos. J. Duff, H. J. Trainer, T. W. MacFarland, Geo. B. Edwards, Wm. C. Gross, Harry C. Ransley.

AN ORDINANCE

To place the care and maintenance of Kingsessing avenue, between Forty-third and Forty-fifth streets in the Bureau of City Property.

WHEREAS, Kingsessing avenue, between Forty-third and Forty-fifth streets, as laid out upon the plan of the City and opened passes through the Clarence H. Clark Park, and as it is desirable to improve and maintain it as a Park Drive, therefore:

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the care and main-

tenance of Kingsessing avenue, between Forty-third and Forty-fifth streets, be placed in the Bureau of City Property: *Provided*, That a macadam roadway be constructed through the middle of the same, and that it be laid out as a Park Drive.

APPENDIX No. 45.

RESOLUTION

Authorizing the Sub-Committee of the Committee on Gas to employ a Stenographer.

WHEREAS, The Sub-Committee on Gas to which has been referred all matters relative to the City getting possession of the Gas Works will hold numerous meetings, it will be necessary for the said Sub-Committee to have a Stenographer; therefore,

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Sub-Committee on Gas be authorized and directed to employ a Stenographer. The cost of same to be charged to Item 7, in the annual appropriation to the Clerks of Councils.

APPENDIX No. 46.

RESOLUTION

Of request to the Director of the Department of Public Works to permit Jacob S. Disston to lay a private drain along Tulip street, from Princeton street to Friendship street.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Works be requested to permit Jacob S. Disston to lay a private drain along Tulip street, from Princeton street to Friendship street. The said drain to be laid under

the supervision of the Department of Public Works (Bureau of Surveys) without expense to the City of Philadelphia, and shall not release the owners of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

APPENDIX No. 47.

RESOLUTION

Of request to the Director of the Department of Public Works to permit Harry Snyder to lay a private drain along Rawle street, from Tulip street to a point about one hundred feet northwest.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Works be requested to permit Harry Snyder to lay a private drain along Rawle street, from Tulip street to a point about one hundred feet northwest. The said drain to be laid under the supervision of the Department of Public Works (Bureau of Surveys) without expense to the City of Philadelphia, and shall not release the owners of property from paying the regular frontage charges whenever a sewer shall be laid in said street.

APPENDIX No. 48.

RESOLUTION

Requesting the City Solicitor to petition the Court of Quarter Sessions for an order upon the Parkway jury to sit daily for the purpose of adjusting the damages caused by its opening.

WHEREAS, The jury appointed by the Court of Quarter Sessions for the County of Philadelphia to assess the damages caused by the opening of the Parkway from Logan Square to Fairmount Park are holding but two meetings in each week and but three claimants have so far been heard.

AND WHEREAS, Many of the owners of property affected by the opening of the Parkway are suffering great hardship by reason of the delay in having their claims adjudicated, therefore, be it

Resolved, by the Select and Common Councils of the City of Philadelphia, That the City Solicitor be requested to petition the Court of Quarter Sessions for an order upon the jurors appointed to assess the damages for the opening of the Parkway, from Logan Square to Fairmount Park, to hold not less than five meetings per week and at each of the said meetings to sit from 10 A. M. to 4 P. M.

APPENDIX No. 49.

RESOLUTION

Of request to the City Solicitor for information relative to the enforcement of certain ordinances.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the City Solicitor be, and is hereby requested to inform these Councils not later than the first stated meeting in June next whether the following ordinances are operative and whether the Traction Companies have complied with the terms thereof, viz.: February 10, 1869; April 9, 1859; March 28, 1859; May 14, 1857; April 12, 1859; September 8, 1873; March 26, 1859; April 8, 1859; April 8, 1864; December 18, 1873; April 4, 1854; April 26, 1858; April 10, 1858; April 15, 1873; April 11, 1858; April 21, 1858, and April 6, 1859.

APPENDIX No. 50.

RESOLUTION

Requesting the Mayor of the City of Philadelphia to appoint Professors Edgar Marburg and Henry W. Spangler of the University of Pennsylvania, and Mr. Thomas

C. McBride, Past President of the Engineers' Club of Philadelphia, to act in conjunction with the Director of the Department of Public Works and the Chief of the Bureau of Filtration, as a Commission to investigate, determine and report the present true physical condition of the work embraced in the plans and specifications for the improvement, extension and filtration of the water supply of the City of Philadelphia, and to appoint other competent person or persons to serve upon the said Commission in the event of any of the above-named gentlemen declining to serve.

WHEREAS, It has been stated at various times to these Councils and to the citizens of the City of Philadelphia through the public prints, that the filtration system would be in operation and in condition to deliver filtered water on various dates;

AND WHEREAS, It is the desire of these Councils that the citizens of the City of Philadelphia should have a true knowledge of the physical condition of the said filtration system; therefore be it

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Mayor be requested to appoint Professors Edgar Marburg and Henry W. Spangler of the University of Pennsylvania, and Mr. Thomas C. McBride, Past President of the Engineers' Club of Philadelphia, to act in conjunction with the Director of the Department of Public Works and the Chief of the Bureau of Filtration, as a Commission to investigate, determine and report the present true physical condition of the work embraced in the plans and specifications for the improvement, extension and filtration of the water supply of the City of Philadelphia; and be it

Further Resolved, That the Mayor be requested to appoint other competent person or persons to serve upon this Commission in the event of any of the above-named gentlemen declining to serve.

APPENDIX No. 51.

Philadelphia, May 22, 1907.

To the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—By Ordinance of December 17, 1903, an election was directed to be held to authorize the borrowing of \$16,000,000, of which \$1,000,000 was stated to be for continuing the improvement of the Boulevard, from Broad street northeastward, which loan was duly authorized by a vote of the people, and the said sum afterwards borrowed under authority of the Ordinance of May 18, 1904, and the \$1,000,000 so borrowed for the aforesaid purpose was by the Ordinance of June 27, 1904, appropriated to the Department of Public Works.

On December 17, 1904, an ordinance was passed directing the transfer of \$500,000 of the said sum of \$1,000,000 from the Department of Public Works to the City Treasurer "for the purpose of paying mandamuses for the opening of the Boulevard, from Broad street to Second street." Said transfer was accordingly made and a part of the \$500,000 so transferred was expended for the purposes mentioned in the last-named ordinance, that is to say, for paying mandamuses for land taken in the opening of the Boulevard.

A bill in equity having been filed, by a taxpayer and land owner, to restrain the use of any part of the \$1,000,000, borrowed as aforesaid, for the payment of mandamuses for land damages, alleging that the same under the terms upon which it was borrowed was applicable alone to the improvement of the Boulevard, and not to pay for land taken in opening the same, that contention was sustained by the Supreme Court in an opinion reversing the court below, and awarding an injunction to restrain the use of the money for any purpose other than the improvement of the Boulevard, not including damages for the land taken.

It accordingly becomes the duty of Councils to restore the sum transferred from the Department of Public Works to the City Treasurer, as above stated, and an ordinance

should therefore be passed transferring from the appropriation to the City Treasurer, for mandamuses, to the Department of Public Works, to the proper numerical item the said sum of \$500,000, so that the same may be used for continuing the improvement of the Boulevard, from Broad street northeastward, thus making it available for the purposes for which alone the court of final resort has decided that it can be expended.

Yours very truly,

JOHN L. KINSEY,
City Solicitor.

APPENDIX No. 53.

OFFICE OF THE MAYOR.

Philadelphia, June 6, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I herewith return, without my approval, an ordinance entitled “An Ordinance to regulate the running of omnibuses in the City of Philadelphia and providing for the licensing thereof.”

The reasons for my disapproval of this ordinance are that it is too general and that its enactment would permit of obtaining blanket privileges without giving the desired relief in transit. An Ordinance for the purpose of authorizing auto bus lines along specified routes, might in a great measure relieve the present congestion of street railway traffic. A line, for instance, along Broad street, from League Island to the Northern City Line, with ample auto buses operated, it seems to me might bring relief in north and south traffic. But for the City to permit the selection of routes at the will of any parties desiring to utilize streets that are now covered by tracks is inadvisable and therefore I do not approve of this ordinance.

Yours very truly,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 54.

Philadelphia, June 6, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

AN ORDINANCE.

To grant permission to the owner or owners of abutting property to pave certain streets with macadam pavement without expense to the City.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized to grant permission to the owner or owners of any abutting property on the streets in the territory bounded by Schoolhouse lane, Germantown and Norristown Railroad, Old Queen lane and Wissahickon avenue, to pave such street or streets with macadam pavement, with brick gutters;

Provided, That all the necessary sewers, water and gas pipes shall first be laid in said streets; *Provided, further*, That the same shall extend for not less than one block or square in length from curb to curb, and include all necessary intersections, at the sole cost of such owner or owners and without any cost or charge to the City of Phila-

delphia; *Provided, further*, That the paving shall be done under the direction, supervision and to the satisfaction of the Department of Public Works and under specifications furnished by said Department.

APPENDIX No. 67.

Philadelphia, June 6, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to regulate the paving and repaving of the streets of the City with asphalt, macadam, vitrified paving bricks or blocks and granite blocks,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance, and ask its passage.

John W. Ford (*Ch'n*), Chas. A. Gillingham, E. J. McAleer, John Bethke, John W. Whitaker, Jos. Ashby, Geo. B. Davis, W. A. Miller, David R. Griffith, Jr., Wm. J. Harrington, Morris Rosenburg, H. J. Trainer, Edw. W. Patton, George D'Autrechy, Chas. R. Campbell.

AN ORDINANCE.

To regulate the paving and repaving of the streets of the City with asphalt, macadam, vitrified paving bricks or blocks and granite blocks.

WHEREAS, Councils by Ordinances approved June 16, 1885, and April 7, 1893, specified the qualities of materials to be used and the methods to be followed in the paving of streets with asphalt, with macadam, with vitrified bricks or blocks and with granite blocks respectively,

AND WHEREAS, Since that time great improvements have been, and are continuing to be made, in the quality of the materials manufactured for such purposes and the methods employed in using the same, many of the requirements given in the aforesaid Ordinances being antiquated

and to-day considered below the standard for good workmanship, and it being desirable that the character of work performed in the City of Philadelphia shall be equal to the standard of similar work done in other cities, Therefore.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works in preparing specifications for paving and repaving streets with asphalt, granite blocks, vitrified paving bricks or blocks and macadam, be and is hereby authorized to specify the method to be employed, the manner of laying and the dimensions of both the paving and the foundation thereof, as well as the quality and proportion of the materials entering therein.

SECT. 2. All Ordinances and parts of Ordinances inconsistent herewith be and the same are hereby repealed.

APPENDIX No. 68.

Philadelphia, June 6, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill to authorize the paving of Arch, Avondale, Crowell, Fifty-fourth, Fifty-fifth, Fifty-sixth, Fifty-eighth, Fifty-ninth, Jasper, Judson, Locust, Mercer, Redfield, Race, Salford, Sixty-first, Tioga, Twenty-fourth, Beechwood, Filmore, Jefferson, Wolf, Jackson and Forty-ninth streets, Cedar, Chalmers, Kingsessing, Erie, Nedro, Glenwood and Monument avenues and York road, respectfully report that we have examined and approve the same, and submit for your consideration the annexed Ordinance, and ask its passage.

John W. Ford (*Ch'n*), Chas. A. Gillingham, E. J. McAleer, John Bethke, John W. Whitaker, Jos. Ashby, Geo. B. Davis, W. A. Miller, David R. Griffith, Jr., Wm. J. Harrington, Morris Rosenburg, H. J. Trainer, Edw. W. Patton, George D'Autreehy, Chas. R. Campbell.

AN ORDINANCE.

To authorize the paving of Arch, Avondale, Crowell, Fifty-fourth, Fifty-fifth, Fifty-sixth, Fifty-eighth, Fifty-ninth, Jasper, Judson, Locust, Mercer, Redfield, Race, Salford, Sixty-first, Tioga, Twenty-fourth, Beechwood, Filmore, Jefferson, Wolf, Jackson and Forty-ninth streets, Cedar, Chalmers, Kingessing, Erie, Nedro, Glenwood and Monument avenues and York road.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Director of the Department of Public Works be authorized and directed to enter into contracts with competent pavers for the paving of the following streets with the best quality of refined natural asphalt, viz.: Arch street, from Sixtieth to Sixty-first street; Avondale street, from Race to Vine street; Crowell street, from Twenty-fourth street to Hunting Park avenue, without sewer or water pipe being laid in said street; Fifty-fourth street, from Ludlow to Chestnut street; Fifty-fifth street, from Arch to Race street; Fifty-sixth street, from Chestnut to Walnut street; Fifty-eighth street, from Baltimore avenue to Washington avenue; Fifty-ninth street, from Chestnut to Walnut street; Jasper street, from Ontario to Tioga street; Judson street, from Tioga to Atlantic street, without sewer or water pipe being laid in said street; Locust street, from Fifty-fifth to Fifty-sixth street; Mercer street, from Albert street to Lehigh avenue; Redfield street, from Cedar avenue to Larchwood avenue; Race street, from Sixtieth to Sixty-second street; Salford street, from Cedar avenue to Larchwood avenue; Sixty-first street, from Walnut to Pine street; Tioga street, from Twenty-fourth to Crowell street, without sewer or water pipe being laid in said street; Twenty-fourth street, from Crowell street to Hunting Park avenue; Cedar avenue, from Fifty-third to Fifty-fifth street; Chalmers avenue, from Twenty-ninth street to Lehigh avenue; Kingessing avenue, from Fiftieth to Fifty-first street. The following streets with vitrified fire clay or shale bricks or blocks, viz.: Beechwood street, from Church lane to Nedro avenue; Filmore street, from Horrocks to Oakland

street; Jefferson street, from Washington lane to Duval street; Wolf street, from Front to Second street; Erie avenue, from Eighteenth to Nineteenth street; Nedro avenue, from Stenton avenue to Beechwood street. The following streets with granite blocks, viz.: Jackson street, from Front to Phillip street; Glenwood avenue, from Jefferson to Oxford street; York road, from Germantown avenue to Butler street. The following streets with macadam with brick gutters, viz.: Forty-ninth street, from Parkside avenue to Edgely avenue; Monument avenue, from Wynnefield avenue to Forty-ninth street and from Parkside avenue to Wynnefield avenue. The cost of the portion of the said work to be paid for by the City shall be taken from the Item for intersections in the appropriation to the Department of Public Works (Bureau of Highways). The conditions of the contract shall be, that the contractors shall collect the cost of said paving from the owners of property respectively fronting on said streets, and shall enter into an obligation with the City to keep said streets in good repair for five years after the paving is finished: *Provided*, Said streets shall be first dedicated or properly opened, and that the Director of the Department of Public Works shall advertise for proposals for paving said streets and award the contracts to the lowest responsible bidders, and that the owners of property fronting on said streets shall not be charged more than the contract price. All Ordinances or parts of Ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 69.

Philadelphia, May 23, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Municipal Government, to which was referred on April 18, 1907, the bill entitled "An Ordinance condemning Cobb's Creek Park

and Driveway, as authorized to be placed on the plan by ordinance approved June 27, 1904, as an open public place for the health and enjoyment of the people," respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

APPENDIX No. 74.

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—Your Committee on Gas, to which was referred “An Ordinance to terminate on December 31, 1907, the lease of the Gas Works to the United Gas Improvement Company, and directing the Mayor to serve upon the said United Gas Improvement Company notice of the intention of the City to terminate the lease on the 31st day of December, 1907;” also, bill directing the Mayor to advertise for bids for the lease of the Philadelphia Gas Works and its appurtenances from and after January 1, 1908, and to make an appropriation for the expenses thereof;” also, “Message from the Mayor submitting report of the Commission to investigate the affairs of the United Gas Improvement Company to enable them to report the amount of money that would have to be paid to the United Gas Improvement Company, in case the lease to them was cancelled,” respectfully report that they referred the same to a Sub-Committee, whose report is hereto appended, and in pursuance of said report your Committee recommend that the report be accepted and the Committee discharged from the further consideration of the subject, and request the passage of the annexed resolution.

Alfred Gratz (*Ch’n*), John W. Ford, Jos. R. C. McAllister, Wm. A. Miller, B. L. Smedley, Charles Seger, G. W. Kucker, Louis Hutt, James Ward, George D’Autrechy, Thomas J. Morton, Henry H. S. Ogden, Thomas J. Ryan, John Doak, David R. Griffith, Jr., Henry F. Kennedy, Thos. J. Erbe, E. Buchholz, Walter T. Sykes, John P. Connelly, Wm. J. Harrington, Daniel Cahill.

—

To the Committee on Gas,
Select and Common Councils of Philadelphia.

GENTLEMEN:—Your Special Sub-Committee, to which have been referred message from the Mayor, submitting re-

port of the Commission to investigate affairs of the United Gas Improvement Company, to enable them to report the amount of money that would have to be paid the United Gas Improvement Company in case the lease was cancelled; also, two ordinances introduced in Common Council on April 18, 1907, the one entitled:

“An Ordinance to terminate on December 31, 1907, the lease of the Gas Works to the United Gas Improvement Company; and directing the Mayor to serve upon the said United Gas Improvement Company notice of the intention of the City to terminate the lease on the thirty-first day of December, 1907;”

and the other entitled,

“An Ordinance directing the Mayor to advertise for bids for the lease of the Philadelphia Gas Works and its appurtenances from and after January 1, 1908, and to make an appropriation for the expenses thereof;” also, “Message from the Mayor, submitting report of the Commission to investigate the affairs of the United Gas Improvement Company, to enable them to report the amount of money that would have to be paid to the United Gas Improvement Company, in case the lease to them was cancelled.”

has given careful consideration to the same; and in connection therewith held a meeting on Monday, May 13, 1907, at 2 P. M., in the Finance Committee room, 496 City Hall, for the purpose of hearing the advocates in favor of these ordinances. The meeting was addressed by Messrs. Edwin O. Lewis, William M. Glasgow, Jr., Walter Wood, Wilson H. Brown and William E. Lockwood, Sr.

Another meeting of your Committee was called for Thursday, May 23, 1907, at the same place, for the purpose of hearing those citizens who were in favor of the continuance of the existing contract between the United Gas Improvement Company and the City.

In the interim, your Committee addressed communications to Hon. John M. Walton, City Controller, Hon.

George R. Stearns, Director of Public Works, and Mr. Thomas Dolan, President of the United Gas Improvement Company, asking for information bearing upon the operation of the lease during the first period of ten years.

The Director of Public Works directed Dr. N. Wylie Thomas, Chief of the Bureau of Gas, to appear before your Committee, and also Mr. John J. Kirk, of the Bureau of Street Lighting. The replies of the Director of Public Works were read by these officials before your Committee.

The information requested in the communication addressed to Mr. Thomas Dolan, President of the United Gas Improvement Company, was presented by Mr. Randal Morgan, on behalf of that Company.

At this meeting, your Committee was addressed by Mr. Isaac H. Clothier and Mr. C. Stuart Patterson, who advocated the continuance of the contract between the Company and the City, which, they said, they believed to be most beneficial, and one that should not be disturbed. Mr. Patterson said in his address, that he represented a number of representative citizens of Philadelphia and spoke on their behalf, and presented a list of the persons whom he represented.

A third meeting of your Committee was held on Friday, May 31, 1907, at which time opportunity was given to any one to speak upon the question.

In the meantime, a communication had been received from Mr. Walter Wood, representing the "Committee of Seven," in which he desired a further hearing; and your Committee called a meeting for general discussion of the question, which was held on Tuesday, June 11, 1907, in the Finance Committee Room.

For the information of the Committee, there are appended to this report copies of the proceedings of these various meetings, and also copies of the Controller's report; the statements made by the representatives of the Director of Public Works; the statement presented by Mr. Randal Morgan; and also the statement of Mr. Wilson H. Brown; together with the addresses of Messrs. Edwin O. Lewis, William M. Glasgow, Jr., Walter Wood, Wil-

liam E. Lockwood, Sr., Isaac H. Clothier, C. Stuart Patterson, Jacob J. Seeds, Henry W. Brown, Thomas L. Hicks, R. F. Powell and Matthew M. Farrell. Also copies of letters which have been received by your Sub-Committee from Messrs. E. B. Smith, John McIlhenny, Frank Hardart and others, advocating the continuance of the lease.

Your Committee as well, during the consideration of this subject, paid a visit to the various gas plants, excepting that at the Twenty-fifth Ward, which we understand is a duplicate in capacity of the Point Breeze Gas Works, and were very favorably impressed with the condition of the property, and the methods of the tenant. Accompanying the Committee were His Honor the Mayor and his cabinet, as well as representatives of the various newspapers and officials of the United Gas Improvement Company.

The questions which have been before your Committee, as contained in the said ordinances, were the wisdom of terminating the existing lease between the United Gas Improvement Company and the City on the thirty-first day of December, 1907; and the advisability of requesting the Mayor to advertise for bids for a lease of the Philadelphia Gas Works from and after January 1, 1908.

The lease between the City of Philadelphia and the United Gas Improvement Company is dated November 12, 1897, and under the terms thereof the Philadelphia Gas Works have been operated by the United Gas Improvement Company from the first day of December of that year.

Inasmuch as the Gas Works belong to the City of Philadelphia and represent a very great and important asset, not only from a financial view-point, but from the point of the needs and requirements of all the citizens of Philadelphia, your Committee decided that the first step necessary for it to take was to consider how the United Gas Improvement Company has operated the Gas Works, and what have been the returns to the City of Philadelphia.

The price of gas charged the consumer in the City of Philadelphia at the present time is \$1.00 per thousand cubic feet.

The statement has been made to the Committee during the course of the consideration of these ordinances, and spread broadcast throughout the City, that the continuance of this lease means a fixed price of \$1.00 per thousand cubic feet for gas during the entire period of the lease, while other cities are paying a less amount. This statement is in error, as the terms of the lease will show. In comparison with the prices received by private corporations in other cities, it will be noted that the price received by the tenant during the first ten years of the lease is 90c. per thousand cubic feet, and that during the next twenty years, the prices will be as follows:

From January 1, 1908.....	85c.
From January 1, 1913.....	80c.
From January 1, 1917.....	75c.

The difference between the above amounts and one dollar being paid to the City. So that, in view of the fact that by these terms a large amount annually is paid into the City Treasury, the consumers are receiving, and will receive, indirectly, the difference between one dollar and 90c., 85c., 80c. and 75c. during the full term of the lease; the burden of general taxation being lessened in this manner. And further, at any time during the period of the lease that the condition of the City Treasury may warrant and it shall be deemed wise, it is within the powers of Councils to fix the price to consumers of gas at the minimum price for each period as stated above, the language of the lease being as follows:

“Clause 11. The price which shall be charged to all consumers, other than the City of Philadelphia, by the said The United Gas Improvement Company, its successors and assigns, shall, until otherwise provided by ordinance of Councils, be one (1) dollar per thousand cubic feet. It shall be competent for Councils to reduce these charges from time to time by ordinances; but said ordinances shall not at any time reduce the price below the following:

Until and including the thirty-first day of December, 1907, ninety (90) cents per thousand cubic feet.

From January 1, 1908, until and including December 31, 1912, eighty-five (85) cents per thousand cubic feet.

From January 1, 1913, until and including December 31, 1917, eighty (80) cents per thousand cubic feet.

From January 1, 1918, until and including December 31, 1927, seventy-five (75) cents per thousand cubic feet.

An examination of the reports which have been made by the Controller and the United Gas Improvement Company, heretofore mentioned, shows that the City has received a revenue in cash during the first nine years of the lease of \$4,653,150.87, which, with the estimated amount to be received during the year 1907, would make the aggregate sum for the full period of ten years, \$5,393,643.05.

Your Committee has, in its examination carefully considered the figures which were compiled by the City Controller when the lease was originally executed, and finds that the estimate which was made by him at that time of the cash receipts which the City might expect to receive during the entire period of thirty years, assuming an increase of three per cent. on the annual sales of gas, was \$47,493,839.42.

The actual cash received by the City during the first nine and one-quarter years of the lease, shows an excess over and above the amount estimated by the City Controller for that period of \$543,030.90.

Attention is also called to the table given in the statement of the United Gas Improvement Company during the progress of this investigation, in which it is shown that the cash receipts to be received by the City during the next twenty years, based on an annual increase of sales of gas of three per cent. and the present price of gas, during the balance of the period of the contract, would amount in the aggregate to \$44,839,063.78.

To this should be added the value of the gas which is furnished free for street lighting and public buildings; and also the value of the labor of lighting, extinguishing, cleaning and caring for the same.

The contract further provides that the City shall receive gas for the street lamps of the City, and gas for the various public buildings, without charge, and that the Company shall light, clean, extinguish, maintain and repair all of the street lamps in the City; and also that three hundred additional lamps shall be added in each year, and be furnished with gas and service of lighting, cleaning, extinguishing, etc., without charge to the City.

Figures have been presented to your Committee as to the amount which this service would cost during the entire period, if the City of Philadelphia were compelled to pay the same price which is charged the consumers, which is the condition existing in other cities throughout the country.

Your Committee has not considered whether or not the table furnished by the United Gas Improvement Company as to the value of the gas furnished for free lighting, both for the street lights and public buildings, represents the actual value of the gas; but merely for the purpose of comparison has taken the figures of other cities for like service in dealing with private corporations, and from this standpoint the figures represent a very great value to the City of Philadelphia; and in any event, no matter how the price to be charged for such service should be estimated, it represents an enormous sum of money during the term of the lease, and is one of the most important conditions of the lease.

Your Committee further considered the amounts which have been spent for betterments and improvements upon the plant during the period of operation, as stated in the report made by the City Controller, to which reference has been made, and also in the figures which the United Gas Improvement Company has presented, which agree, with the exception that the United Gas Improvement Company has estimated the expenditures for the year 1907 at about \$90,000.00 greater than that estimated by the City Controller; and the report of the City Controller does not contain the appraised value of the plant of the Philadelphia Gas Improvement Company, which, under the terms of the lease, was to be sold to the City if the

lease was terminated at the end of ten years; but, in the event of the continuance of the lease for the full period, was to become the property of the City of Philadelphia.

These figures represent, with accumulated interest upon the same, calculated as stipulated in the lease, the sum of \$19,473,189.04.

A very important question for your Committee to consider was what means the City of Philadelphia had at its disposal to reimburse the tenant in the event of a cancellation of the lease at this time.

The figures which have been presented by the City Controller show that the borrowing capacity of the City of Philadelphia on January 1, 1907, was \$8,837,259.80; and that on January 1, 1908, it will be \$12,960,027.89; so that upon the date at which the City should have in hands the funds necessary to terminate the lease under its terms, the City would be lacking to the extent of \$6,513,161.15, to comply with the conditions of termination.

During the entire course of this inquiry, no proposition has been presented to your Committee which would give to the City of Philadelphia equal or better terms than those it now enjoys under the existing lease; and the question of primary importance is whether or not it would be safe, and in the interest of all of the citizens of the City of Philadelphia, to cancel a lease of so satisfactory terms and such service as has been rendered during the entire period of the contract, and which can undoubtedly be fully expected during the balance of the term, unless the City of Philadelphia is either in the condition to resume the operation of the plant itself, or to receive better terms from some one else.

Your Committee believes that the passage of an ordinance directing the Mayor to advertise for bids for such purpose, merely lays the matter open to speculation, without any guarantee of a better bid, and would put the City in a position where its ability to compel the present tenant to continue for a further period of twenty years, after giving such notice, could be questioned.

Your Committee deeply appreciates the importance of this question, as it is a matter which concerns the entire

population of Philadelphia. Facts and not theories; deeds instead of glittering promises for speculative purposes, must be considered, and the interests of the people of Philadelphia must be protected. It is not the ordinary change of tenants, nor the mere providing for the terms of a new contract. It is universally conceded that the present tenant is a most satisfactory one; that the property of the City has been conserved; that the consumers of gas are treated justly and fairly; that the City of Philadelphia has been well treated, and that the lease has been a profitable lease up to the present time, with a large fixed increase in profits during the next twenty years under the ascending scale of revenue as fixed by the terms of the lease itself.

As before stated, at the meetings of your Committee, the leading bankers, business and professional men of the City of Philadelphia appeared, and by their presence and through their spokesmen, stated that in their opinion it would be unwise and dangerous for the City of Philadelphia to terminate the present contract.

Your Committee is mindful of the fact that this is a matter of vital importance, concerning as it does the comfort, happiness and welfare of all of the citizens of the City of Philadelphia, and its members have endeavored to reach their conclusions by painstaking inquiry and investigation, sounding the depths of opinion on both sides of the question as their advocates have appeared before your Committee, and are of the opinion that the present lease is of great value to the City of Philadelphia and should be permitted to continue until the end of its original period, which, in the opinion of your Committee, was the intent of the lease at the time it was made.

Your Committee, therefore, must respectfully report that the ordinances be submitted to Councils with an unfavorable recommendation, and ask that they be discharged from any further consideration of the ordinances heretofore introduced.

All of which is respectfully submitted.

DEPARTMENT OF LAW.

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—Since your last meeting of the Keystone Bonding Company has become insolvent. It is surety for a large number of persons having contracts with the City of Philadelphia.

Under the terms of an Ordinance approved July 21, 1887, in case of the insolvency of a company which has been accepted as surety "Councils have the right to demand from the contractor upon whose bond the company is surety, other and additional security in lieu of that given by the said company."

The officials of the Keystone Bonding Company are now negotiating with other companies for the purpose of supplying such additional or substituted security without awaiting the formal demand by you; but, in view of the possibility of the failure of their efforts, it is my duty to call your attention as I have done to the failure of the company, so that you may take such action as may seem to you wise.

I suggest that you pass a resolution requiring all Contractors for whom that Company is surety, to enter additional security not later than July 1st next, and that in the meantime you authorize the various heads of departments to withhold payment at their discretion, and the City Controller to withhold his countersigning of any warrants which have been or may be issued, in case such heads of department or Controller believe that the City' interests may be seriously endangered by making the payment.

There are many instances in which money has been fully earned and the withholding of which will be an unnecessary hardship, and I therefore suggest that you leave the ques-

tion of payment in each individual instance to the discretion of these officers.

Yours very truly,

J. HOWARD GENDELL,
City Solicitor.

RESOLUTION

Requiring additional security to be furnished by contractors for whom the Keystone Bonding Company is now surety, and authorizing the withholding of payment of moneys due or to become due upon such contracts until such security be entered, at the discretion of the various Heads of Departments and City Controller, and suspending Joint Rule No. 30 of the Select and Common Councils.

WHEREAS, Councils have been informed by the City Solicitor that the Keystone Bonding Company is surety upon the bonds of divers contractors and that the said Company has become insolvent: therefore be it

Resolved, By the Select and Common Councils of the City of Philadelphia, That all contractors upon whose bond the Keystone Bonding Company is surety are hereby required to give other and additional security on or before the first day of July, 1907, and that no further or additional payments shall be made after that date to any such contractors who shall fail to give such other and additional security.

Resolved, That the several Heads of Departments are hereby authorized in their discretion to pay any sum or sums of money which are, or prior to the said first day of July may become, due and payable, to any such contractor, notwithstanding the failure to give such bond, if in his or their judgment such payment can be made without injury or detriment to the interests of the City; but in case, in their judgment, such payment will be detrimental to the interests of the City, they are hereby authorized to withhold

such payment until the entry of additional security as aforesaid; and in case of any warrants already drawn or hereafter drawn by said Heads of Department, the City Controller is authorized either to countersign said warrants or to withhold his signature, in accordance with his opinion, with respect to the best interests of the City.

Resolved, That Joint Rule No. 30 of the Select and Common Councils be suspended to enable the Clerks of Councils to present this resolution to the Mayor for his approval or disapproval.

APPENDIX No. 76

OFFICE OF THE MAYOR.

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—I hereby return, without my approval, an ordinance entitled,

“An Ordinance to strike from the plan Adrian street, from Girard avenue to point north of Girard avenue, and to place on the plan Stiles street, from Leopard to Adrian street.”

On consultation with Chief Webster of the Bureau of Surveys I have concluded that the striking off of the City plan of Adrian street at the points named in the ordinance is inadvisable. I, therefore, return this ordinance without my approval.

Yours respectfully,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 77.

APPENDIX No. 84

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to amend an ordinance entitled ‘An Ordinance to revise the lines and grades of portions of City plans Nos. 242, 243, 244 and 219, bounded by Broad street, Chew street, Twentieth street, Limekiln turnpike and Montgomery County line,’ approved July 27, 1901,” respectfully report that the original ordinance authorizing the laying out and opening of Ogontz avenue was passed in 1901. Since that time the street has been opened and graded from the County line to Spencer street, but the portion south of Spencer street has not been dedicated or opened, and after several conferences with the owners of the property, extending over a considerable time, the owners have finally asserted they will not dedicate. As this is a neighborhood rapidly being developed it is important that this main avenue and the contiguous territory should be laid out and revised. The plans are ready for action but nothing can be done until the amendatory legislation becomes effective. We therefore

approve the bill and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), George W. Conrad, Frank Weideman, Daniel Cahill, Chas. A. Kauffman, Edwin S. Ward, C. F. Gramlich, George Schmidt, Henry F. Kennedy, Herbert U. Porter, Jas. D. Winchell, E. V. Richards, Morris Rosenberg, Thos. J. Duff.

AN ORDINANCE

To amend an ordinance entitled, "An Ordinance to revise the lines and grades of portions of City plans Nos. 242, 243, 244 and 219, bounded by Broad street, Chew street, Twentieth street, Limekiln turnpike and Montgomery County line," approved July 27, 1901.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the ordinance approved July 27, 1901, entitled, "An Ordinance to revise the lines and grades of portions of City plans Nos. 242, 243, 244 and 219, bounded by Broad street, Chew street, Twentieth street, Limekiln turnpike and Montgomery County line," etc., be amended by inserting after the words "the said Ogontz avenue will pass," the words "from Spencer street to the Montgomery County line:" also by inserting after the words "dedicated the bed of said avenue," the words, "from Spencer street to the Montgomery County line:" and also by inserting after the words "agree to grade the said avenue," the words, "from Spencer street to the Montgomery County line." So that said ordinance as amended shall read as follows: "That the Department of Public Works (Board of Surveyors) be authorized to revise the lines and grades of portions of City plans Nos. 242, 243, 244 and 219, bounded by Broad street, Chew street, Twentieth street, Limekiln turnpike and the Montgomery County line, and to place upon the City plan Ogontz avenue, one hundred feet wide, from Chew street to the Montgomery County line: *Provided*, That the owners of property through which the said Ogontz avenue will pass, from Spencer street to the Montgomery County line, shall first dedicate the bed of said avenue, from Spencer street to the

Montgomery County line, to the City or shall first file a bond, satisfactory to the City Solicitor, indemnifying the City against all damages which may arise by reason of the placing upon the plan and the opening of the same, and shall also agree to grade the said avenue, from Spencer street to the Montgomery County line, without cost to the City."

APPENDIX No. 85.

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill to authorize the construction of sewers in A, Arch, Collins, Coulter, Fifth, Jefferson, Juniper, Latona, Livingston, McMichael, Nippon, Race, Richmond, Ringgold, Russell, Twenty-seventh, Melrose, and Vaux streets and Cedar avenue, respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), George W. Conrad, Frank Weideman, Daniel Cahill, Chas. A. Kauffman, Edwin S. Ward, C. F. Gramlich, George Schmidt, Henry F. Kennedy, Herbert U. Porter, Jas. D. Winchell, E. V. Richards, Morris Rosenberg, Thos. J. Duff.

AN ORDINANCE

To authorize the construction of sewers in A, Arch, Collins, Coulter, Fifth, Jefferson, Juniper, Latona, Livingston, McMichael, Nippon, Race, Richmond, Ringgold, Russell, Twenty-seventh, Melrose, and Vaux streets and Cedar avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized to enter into contracts for the construction of sewers in A street, from Rockland street to Fisher's lane; Arch street, from Sixtieth to Edgewood street, and from Peach to Fifty-fourth street; Collins street, from

APPENDIX No. 90.

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades on plan No. 167, bounded by Sixty-fifth street, Haverford street, Lansdowne avenue and Cobb’s creek,” respectfully report the proposed revision of lines and grades contemplates the revision of the lines and grades of Sixty-ninth street, between Girard avenue and Cobb’s creek, to connect with a proposed street, eighty feet in width, to be laid out in Delaware County by the Philadelphia Rapid Transit Company, and extending to the West Chester road. The streets as now plotted on the City plan at this point cannot be extended beyond the County line. They are shut off by the Philadelphia and Western Railroad and the Market street Elevated road and the Cardington branch of the Pennsylvania Railroad. The proposed new street is to cross Cobb’s creek and these three railroads by an overhead crossing. It may be necessary also to revise a number of street lines and grades in connection with the Cobb’s creek park. The grades on a portion of this plan have not yet been established. We therefore approve the bill and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch’n*), George W. Conrad, Frank Weideman, Daniel Cahill, Chas. A. Kauffman, Edwin S. Ward, C. F. Gramlich, George Schmidt, Henry F. Kennedy, Herbert U. Porter, Jas. D. Winchell, E. V. Richards, Morris Rosenberg, Thos. J. Duff.

AN ORDINANCE

To revise the lines and grades and establish grades on plan No. 167 bounded by Sixty-fifth street, Haverford street, Lansdowne avenue and Cobb’s creek.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of

Public Works (Board of Surveyors) be authorized to revise the lines and grades and establish grades on plan No. 167 bounded by Sixty-fifth street, Haverford street, Lansdowne avenue and Cobb's creek.

APPENDIX No. 91.

Philadelphia, June 20, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to authorize the revision of lines and grades of Sullivan street, between Gorgas street and Mt. Airy avenue, and such other streets as may be affected thereby," respectfully report that the object of the proposed revision is so to place Sullivan street as to leave but one tier of lots between the Reading Railroad line and the street. As there will be no damages occasioned by the revision your Committee approve the bill, and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), George W. Conrad, Frank Weideman, Daniel Cahill, Chas. A. Kauffman, Edwin S. Ward, C. F. Gramlich, George Schmidt, Henry F. Kennedy, Herbert U. Porter, Jas. D. Winchell, E. V. Richards, Morris Rosenberg, Thos. J. Duff.

APPENDIX No. 97.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to provide for a Bureau of Inspection of passenger and freight elevators, and to make an appropriation therefor,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), John H. Stokley, H. J. Trainer, John W. Ford, Walter T. Sykes, John P. Connelly, Thomas J. Morton, Alfred Gratz, John H. Hahn, David Phillips, Harry C. Ransley, Chas. A. Gillingham, C. E. Connell, E. Buchholz.

AN ORDINANCE

To provide for a Bureau of Inspection of passenger and freight elevators and to make an appropriation therefor.

SECTION 1. *The Select and Common Councils of Philadelphia do ordain*, That from and after the passage of this ordinance it shall be the duty of the Director of the Department of Safety, with the approval of the Mayor, to appoint the following inspectors and other employees in the Bureau of Elevator Inspection, viz: One Chief Inspector at a salary of four thousand (4,000) dollars per year; one Deputy Inspector, at a salary of three thousand (3,000) dollars per year; one computer, at a salary of two thousand five hundred (2,500) dollars per year; twenty-three inspectors of elevators, at salaries of one thousand five hundred (1,500) dollars each per year; two tank inspectors at salaries of one thousand five hundred (1,500) dollars each per year; one chief clerk, who must also be a stenographer, at a salary of one thousand six hundred (1,600) dollars per year; two

clerks, at salaries of one thousand two hundred (1,200) dollars each per year; and one messenger, at a salary of nine hundred (900) dollars per year.

SECT. 2. The inspectors under this ordinance must be competent and practical elevator mechanics, having had practical experience in elevator mechanism, and all other employees appointed hereunder shall have such special qualifications as may be required for the proper inspection of passenger and freight elevators.

SECT. 3. Whenever the Chief of the Bureau of Inspection shall deem it necessary for the safety of the public, he shall have the power to order the discontinuance of the use of any passenger or freight elevator, and to compel the owner, lessee or agent of the building, within which such elevator is located, or any other person responsible for the running of the same, to make such alterations or repair as he may deem necessary for the safety of persons and property using or carried upon said elevator, before the same is again put in use.

The Chief of the Bureau of Inspection shall also have the power to condemn any mechanical part or appliance connected with any passenger or freight elevator, if the same in his judgment is dangerous or unreliable, and whenever any such part or appliance has been condemned, it shall be removed and the elevator made safe, to the satisfaction of the Chief of said Bureau, before being again put in operation.

Whenever any elevator shall be in need of repairs, in any respect pertaining to the operation of the same, or any of the apparatus or machinery connected with an elevator shall become impaired, necessitating the temporary disuse of the elevator, or any accident shall occur in an elevator or elevator shaftway affecting life or limb, it shall be necessary for the owner, lessee or agent of the building in which the said elevator is located, or other person under whose control and management the said elevator is operated, to notify the Chief of the Bureau of Inspection, of such impairment, disuse or accident, and shall not again put the said elevator in operation until an inspection has been

made and the condition of the elevator approved by the Inspector.

SECT. 4. The following fees shall be charged for inspections and certificates: For elevators in buildings above eight (8) stories in height for each inspection, three (3) dollars; for each tank inspection, three (3) dollars; for each first certificate, three (3) dollars; for each re-issue one (1) dollar.

For elevators in buildings eight (8) stories high or under: For each inspection, two (2) dollars; for each tank inspection, three (3) dollars; for each first certificate, two (2) dollars; for each re-issue, one (1) dollar. These fees shall be collected as fees for inspection are now collected in the Bureau of Boiler Inspection.

SECT. 5. No elevator shall be operated without having displayed therein a certificate of inspection, stating the carrying capacity of the elevator, whether freight or passenger. No person shall at any time operate an elevator unless he is over the age of sixteen (16) years, and if in the judgment of the Chief of the Bureau of Inspection, any person running an elevator shall be deemed incompetent so to do, the person, firm or corporation having control of said elevator shall at once remove such incompetent person, and replace him by a person who shall be competent in the judgment of the Chief of the said Bureau. No elevator, either passenger or freight, shall be operated without an attendant, if in the judgment of the Chief of the Bureau of Inspection the character of the business, or construction or location of the elevator warrants the same. The insurance certificate clause of Section 2 of the ordinance of May 10, 1894, is hereby repealed.

SECT. 6. Any person, firm or corporation operating an elevator without having a certificate as herein provided, or who shall violate any provision of this ordinance, or violate or neglect to follow any of the rules or regulations hereunder provided, shall be subject to a penalty of fifty (50) dollars for each and every such violation, and the said penalty shall be collected before any Magistrate or Court as debts are by law collectible.

SECT. 7. All elevator shafts shall conform to the requirements of Section 4, of the Act of Assembly of April 25, 1903.

SECT. 8. No elevator shall be erected, re-erected, or repaired, and no enclosures built, or interlock or other safety appliance installed, without first having obtained a permit from the Bureau of Inspection, as provided by the Ordinance of April 6, 1900.

The applicant for a permit to erect an elevator must submit a plan of the whole ground floor of the building, showing proposed location of the shaftway, and drawings of the elevator and also an elevation of shaftway; the said plans and drawings to be filed as a part of the records of the Bureau.

The charges for said permits shall be as follows: To erect or repair an elevator in a building under nine (9) stories in height, two (2) dollars; to erect an elevator in a building over nine (9) stories and under thirteen (13) stories in height, three (3) dollars; to erect or repair an elevator in buildings thirteen (13) stories high and over, four (4) dollars. Permit for enclosure, gate hatchway, interlocks, etc., for each elevator, two (2) dollars.

SECT. 9. No permit will be issued to erect an elevator or sling hoist in any thoroughfare where it is necessary to pass through the shaftway or under the elevator, whether inside or outside of the building.

No permit will be issued allowing power to be applied to any back guide elevator or roller hoist.

No wooden hoist drum will be allowed.

SECT. 10. Whenever any back guide elevator shall be in need of extensive repairs, it shall be condemned and replaced with a guide post car, or the hatchways must be closed; but if the shaftway occupies a thoroughfare, the location of the same must be changed, except in extreme cases, where in the judgment of the Bureau such change is practically impossible. This clause does not apply to a carriage elevator.

All elevators must be so located as to give easy and safe

access to all principal parts for inspection, adjustment and repair.

SECT. 11. No pressure tank shall have less strength than a factor of safety of four (4), and no other part affected by the load shall have less strength than a factor of safety of four (4) for freight, five (5) for passenger, and six (6) for all drum shafts and overhead supports.

SECT. 12. No power driven elevator shall have less than two (2) main hoisting cables, and all hoist cables must be attached to a substantial and effective equalizing bar with means for adjustment.

The maximum load on hoist cables must not be greater than one-sixth ($1/6$) of the ultimate strength for passenger elevators, and one-fifth ($1/5$) for freight, the basis of computation being Standard Swedes iron hoisting cable.

All sheaves and drums for hoist and counterweight cables must conform to the standards of the Bureau of Inspection.

No elevator car shall be suspended by any kind of cable other than metallic.

Every passenger elevator car hereafter constructed must have its frame built of metal, and no inferior material of any kind will be allowed to enter into the construction of any elevator.

SECT. 13 Every guide post elevator car must be provided with safety clutches that will prevent the car from falling in case of broken cables, or broken or deranged machinery.

Every passenger elevator now in operation, or that shall be hereafter installed, shall be provided with a speed governor in connection with a gradually applied safety.

Every freight elevator having a car speed of over fifty (50) feet per minute shall be provided with a governor working in connection with a gradually applied safety.

Every freight elevator having a car speed of less than fifty (50) feet per minute must be provided with speed governor which may work in connection with an instantaneous safety.

All elevators must be tested with a maximum load.

All wooden guide posts must be provided with independent guide strips.

SECT. 14. All elevators carrying more persons than the regular attendant shall be classed as passenger elevators, and are subject to all the requirements of passenger service.

SECT. 15. Every power driven elevator must have automatic terminal stops other than those required on the controlling mechanism.

Every power driven drum hoist elevator must have a slack cable controller shifter.

All brakes operated by a check line must be so arranged as to be applied automatically if the check line should break, and all electric brakes must be applied by breaking the current.

SECT. 16. All passenger elevators must be equipped with mechanical interlocks, and all interlocking mechanism must conform to the requirements of the Bureau.

Where any interlock already installed is found to be unreliable or does not conform to the requirements of the Bureau, it shall be condemned and be replaced within a reasonable time by an approved interlock.

Requirements for Elevator Locking Device.

a. The device must prevent the doors of the landings being opened either from inside or outside, except when the car is within three inches of such landing.

b. The device must prevent the opening of the landing door either from outside or inside when the car is at the landing, until after the controlling mechanism of the car has been set in position to stop the car.

c. The opening of the landing door when a car is at a floor must immediately lock the controlling mechanism in the stop position, and the device must prevent the starting of the car up or down until the landing door has been again closed and locked.

d. The locking device on each floor must be independent of all other floors and of the car, so that the forcible or accidental opening of any door, or damage to the locking device of same, shall not interfere with any other door nor with the proper operation of the car.

e. The device must be so arranged that the car can run from top to bottom without touching any of the mechanism at the landings, unless it is desired to stop at a floor.

f. The device must be attached to the regular controlling mechanism of the car and worked by it, with no outside apparatus for the operator to attend to.

g. The device must prevent the car leaving the landing from any cause whatever while the door of the enclosure is open.

h. No interlocking mechanism shall so affect the controller of any elevator as to reduce the valve lap to less than one-third ($1/3$) of its total amount.

SECT. 17. All automatic door opening and closing devices must be independent of the interlocking device.

SECT. 18. No pilot valve shall be installed or allowed to remain in service that cannot be controlled by an interlock within the limits of two thirds ($2/3$) of its total lap.

Any pilot valves now in use, if in the judgment of the inspectors and the Chief of the Bureau of Inspection, are considered a source of danger, shall be condemned and removed.

Every hydraulic elevator must have an independent exhaust pipe from the controlling valve to the discharge tank, and no two cylinders will be allowed to discharge through the same pipe, unless provided with checks.

SECT. 19. All passenger elevators must be provided with air cushions.

The shaftways of all passenger and freight elevators must be enclosed below the first floor with either fire proof or slow burning construction. All windows opening into elevator shafts are to be guarded with screens or bars.

All hand power elevators in which the platform travels more than one story shall be equipped with a speed governor.

If the shaftway of any passenger elevator is so located, or the motive power is so limited in range, as to make a basement air pit impracticable, the air pit must be constructed above the first floor.

The pit of every elevator shaftway must be kept clean and dry at all times. Stop or resting blocks will not be allowed at the bottom of shaftway, except under the strongest part of the car.

SECT. 20. At the top of the shaft and under the suspension sheaves and beams of every power driven elevator there shall be built a substantial working platform or grating, the said platform or grating to be of such a character as to prevent tools or other dangerous weights from falling through and down the shaftway.

SECT. 21. No explosive, inflammable or suffocating material, whether solid, liquid or gaseous, or any pipe for conveying the same, shall be stored or kept under any elevator shaftway, unless the said explosive, inflammable or suffocating material shall be separated from the car by an approved air cushion.

No elevator shaftway shall be used for the storage of any material or the running of any rope, wire or pipe, except for the use of the elevator itself, and no machinery requiring the services of an attendant, shall be located under any elevator shaftway unless protected by an air cushion.

SECT. 22. All elevators used for carrying passengers must have their hatchways surrounded by substantial vertical enclosures, the same to be made flush with the hatchway and continuous from floor to ceiling on every open side of the car and on every floor except the top, where a height of six feet six inches is sufficient. On every other side of the car the enclosures must be at least six feet six inches in height. All enclosure doors must be made to slide, except in extreme cases, where necessity compels the adoption of some other movable enclosure; but in all cases this enclosure door must be of such a character as to be controlled by an interlock. All grille work enclosures must be substantially braced and be kept in thorough repair. Where-

ever an elevator shaftway has been so constructed as not to admit of a mechanical interlock on the basement door, the said door must be so constructed as to close and lock automatically when the car leaves.

Whenever the car of a passenger elevator has more than one doorway every doorway must be provided with an inside sliding door, and the doors must be so arranged and connected that the opening of any one door mechanically closes all the other doors.

Every freight elevator shall have its hatchway surrounded by vertical enclosures and gates. The fixed enclosures to be not less than six (6) feet in height, and the gates to be as near six (6) feet in height as the condition will warrant. Wooden gates must be made of vertical strip with spaces not wider than two (2) inches. All gates must be self-closing, also fitted with device to prevent them being raised until the platform is at the floor landing, and whenever practicable they must be made to slide vertically. Full automatic gates, wherever found, will be condemned, and must be replaced within a reasonable time by gates approved by the Bureau.

All enclosures must be made flush with hatchway on every open side of the car, and wherever window recesses occur in the shaftway, the same must be covered by a substantial grill or screen. Where it is necessary to place a lifting gate on any elevator car, the said gate must be so hung and balanced as to close automatically when the car leaves the landing.

Whenever in the judgment of the Bureau the construction of the building, or the nature of the business is such that the standard vertical enclosures are impracticable, they may adopt such safe-guards as will afford the best protection. Fire doors on the floor side of brick shaftways are not deemed sufficient protection, and self-closing vertical gates will be required in addition.

Every elevator occupying a thoroughfare that cannot be guarded by vertical enclosures must be provided with a loud-ringing gong that will ring continuously or at close intervals while the car is descending through the thoroughfare.

Every power-driven freight elevator must be provided with a signal bell that can be operated from every floor, and the controlling device must be provided with some form of lock that will enable the attendant to hold the car immovable while loading and unloading. All freight elevators not in the care of a regular attendant must have signs posted on every floor prohibiting all persons from riding on the car.

Every sidewalk elevator must be protected at the street level by a removable railing of such construction that the controlling mechanism of the said elevator will be locked and held immovable until the railing is in place.

Every sidewalk elevator must be protected by a substantial guard that will open the sidewalk doors far enough in advance of the car to prevent crushing a person between the car platform and the sidewalk doors.

SECT. 23. Where any freight elevator shall have flush enclosures, but not self-closing gates, the owner, agent or lessee may provide all the shaftway doors with substantial, safe inside locks and put the care in charge of a regularly authorized operator; otherwise the shaftway must be provided with approved self-closing gates.

The Bureau of Inspection shall have the power to demand a regularly authorized operator on any elevator when in the judgment of the Bureau the safety of the public requires the elevator to be placed under such control. Should the owner, agent or lessee refuse to comply with the same demand the elevator shall be locked up.

SECT. 24. All elevator counterweights must be hung in guides, and the foot of the guideways must be so protected as to prevent any person from being injured by the descending weights.

All counterweights must have their component parts so fastened together as to prevent any piece or pieces from becoming detached from the guides should the counterweight be accidentally drawn to the top of the shaft with the usual velocity.

Counterweights of Plunger Elevators must be connected direct to plunger.

SECT. 25. All hydraulic elevators must have their valve chambers and cylinders provided with means for preventing the accumulation of air.

SECT. 26. If any accident shall occur to any elevator, affecting life or limb, or in any way impairing the strength or efficiency of said elevator, it shall be the duty of the engineer, in charge of the building, or, in the absence of the engineer, the superintendent, to immediately, and before any broken or damaged part is removed or any steps are taken to repair the elevator, notify the Chief of the Bureau of such accident. The Chief of the Bureau shall cause any such accident to be promptly investigated, and the elevator shall not be again put in service until after investigation and satisfactory repair. The fee for the investigation of an accident shall be two (2) dollars.

The owner, agent or lessee of a building will be held responsible for the failure of the engineer or superintendent to properly report any elevator accident in said building, or for any negligence on the part of said engineer or superintendent affecting the safety of any elevator under his control.

SECT. 27. The builder of any elevator will be held responsible for the proper construction of the said elevator in all its parts, and for the execution of all rules and regulations of the Bureau regarding elevator construction.

SECT. 28. If the owner, agent or lessee of any building shall receive a written notice from the Bureau that any passenger elevator under his control is in an unsafe condition and shall continue to operate the said elevator, ignoring the requirements of the Bureau, the Chief of the Bureau shall, after the lapse of two days from date of notice, have the power to post a written notice at the elevator entrance, stating that the said elevator is in an unsafe condition, and said notice shall not be removed until so ordered by the Chief of the Bureau.

SECT. 29. All power-driven elevators must be inspected at least once every three months after first inspection. All hand hoist elevators must be re-inspected at least once in six months after first inspection.

Pressure tanks must be inspected as often as, in the judgment of the Bureau, their condition may require.

Certificates of inspection shall be in force one year from date of issue unless in the judgment of the Bureau any elevator is found to be in an unsafe condition. In such cases the certificate shall be removed and the elevator put out of service until it is put in safe running condition.

SECT. 30. Any person who may feel aggrieved by the decision of any Elevator Inspector may, within three days after such decision, appeal in writing to the Bureau. All cases in which appeals have been taken shall be referred to the Chief of the Bureau and the Supervising Inspectors of Elevators as a Board of Appeal, and their decision shall be final: *Provided*, That should the aggrieved party object to the decision of the Board, he may further appeal in writing to the Director of the Department of Public Safety within three days after the decision of the Board of Appeal, specifying in such appeal the reason therefor, and accompanying the same by the sum of thirty (30) dollars. The Director of the Department of Public Safety shall thereupon appoint three disinterested elevator experts, who shall decide the case. They shall be paid ten (10) dollars each for their services.

SECT. 31. The elevator inspectors, with the concurrence of the Chief of the Bureau, may require safety appliances in addition to those before mentioned, when in their judgment the same may be necessary to better provide for the safety of the public.

The inspection of elevators will be conducted during business hours (8 A. M. to 5 P. M.) and with as little interruption to the business of the establishment as possible.

The owners and tenants of buildings in which elevators are located, their agents and employees, will be required to admit elevator inspectors at all times and with as little delay as possible, and to give every facility for the prompt execution of all inspections.

SECT. 32. Every Elevator shall be regularly inspected by the Bureau of Inspection, regardless of any other inspection, and no Insurance or Casualty Company's Certificates will exempt any elevator from such inspection.

APPENDIX No. 98.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to carry into effect An Act of Assembly, approved June 8, 1907, creating a Department of Wharves, Docks and Ferries, and to make an appropriation therefor,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the bill entitled “An Ordinance to authorize the Department of Public Works to make investigations and report upon a comprehensive plan for the collection, purification and disposal of the sewage of the City, together with such alterations and extensions of the existing sewerage system as may be necessary, and to make an appropriation therefor,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), John W. Ford, Frank G. Grier, H. J. Trainer, H. J. Horan, Thomas J. Ryan, E. Buchholz, David Phillips, John H. Hahn, John H. Stokley, John P. Connelly, Alfred Gratz, C. E. Connell, G. W. Kucker, Watson D. Upperman.

AN ORDINANCE

To authorize the Department of Public Works to make investigations and report upon a comprehensive plan for the collection, purification and disposal of the sewage of the City, together with such alterations and extensions of the existing sewerage systems as may be necessary, and to make an appropriation therefor.

WHEREAS, By an Act of Assembly of the State of Pennsylvania, entitled “An Act to preserve the purity of the waters of the State for the protection of the public health,” approved April 22, 1905, it is provided, among other things, that “No person, corporation or municipality shall place, or permit to be placed or discharge, or permit to flow into any of the waters of the State, any sewage, except as hereinafter provided, etc.” Also, that “Whenever it is their unanimous opinion (Governor, Attorney Gen-

eral and Commissioner of Health), that the general interests of the public health would be subserved thereby, the Commissioner of Health may issue a permit for the discharge of sewage from any such sewer system into any of the waters of the State, and may stipulate in the permit the conditions on which such discharge may be permitted," revocable at any time, and

WHEREAS, the Governor of the State, the Attorney General and the Commissioner of Health have by various permits granted the right to the City of Philadelphia to extend various sewer systems, and to discharge the sewage into the waters of the state subject, among others, to the following condition, "That the City shall, on or before the year one thousand nine hundred and twelve prepare and submit to the State Department of Health for approval, a comprehensive sewerage plan for the collection and disposal of the sewage of the various drainage districts of the City," and another condition as follows: "Extensions shall be immediately approved, provided some progress shall be made each year in the study of a comprehensive system of sewerage for the various drainage districts, and provided that said sewer extensions shall not, as far as practicable, be at cross purposes with said comprehensive system," now therefore,

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized and directed to make investigations and report upon a comprehensive plan for the collection, purification and disposal of the sewage of the City, together with such alterations and extensions of the existing sewerage systems as may be necessary; also to carry on experiments and report upon the feasibility of the treatment of sewage, together with estimates of the probable cost of altering the present sewage systems as far as may be required, of constructing necessary outfall sewers, of constructing disposal works, and the maintenance of the same.

SECT. 2. The Director of the Department of Public Works is hereby authorized to employ in consultation such

Engineers and Bacteriologists as may be requisite to reach a satisfactory solution of the problem; and also to employ such Engineers and Assistants as may be required for making surveys, investigations, experiments and recommendations; all expenses for salaries, inspection, tests, transportation, and incidental expenses, not otherwise provided for, shall be paid out of the appropriation for the work herein authorized.

SECT. 3. The sum of seven thousand five hundred (7,500) dollars is hereby appropriated to the Department of Public Works, Bureau of Surveys, for the work herein authorized.

AN ORDINANCE

To permit Louis Spoerhase to erect and maintain a clock on the sidewalk of his property 4078 Lancaster avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is

hereby granted to Louis Spoerhase to erect and maintain a clock, with a dial not exceeding thirty-six inches, on the sidewalk in front of his property 4078 Lancaster avenue. The said clock shall be erected under the supervision and to the satisfaction of the Department of Public Works, and shall have no advertisement other than the name thereon, and shall be removed at any time upon the passage of an ordinance to that effect: *Provided*, That said Louis Spoerhase first pay the sum of fifty (50) dollars into the City Treasury for the publication of this ordinance.

APPENDIX No. 113.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to sell and convey, release and surrender to the Trustees of the University of Pennsylvania, certain rights possessed by the City of Philadelphia over Pine street as formerly upon the City plan, being situated in the Twenty-seventh Ward,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John W. Ford (*Ch'n*), W. A. Miller, Geo. B. Davis, David R. Griffith, Jr., E. J. McAleer, John Bethke, Chas. A. Gillingham, John H. Stokley, Jos. Ashby, John W. Whitaker, Thos. J. Duff, John J. McKinley, Jr., H. J. Trainer, T. W. MacFarland, Morris Rosenberg.

AN ORDINANCE

To sell and convey, release and surrender to the Trustees of the University of Pennsylvania, certain rights possessed by the City of Philadelphia over Pine street as formerly upon the City plan, being situated in the Twenty-seventh Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the City of Philadelphia shall, for the consideration hereinafter named, release, quitclaim, surrender, grant, bargain and sell to the Trustees of the University of Pennsylvania, and their successors, a certain right of way hereinafter described; and that the Mayor of the said City is hereby authorized to affix the seal of the said City to a deed, and to sign and deliver the said deed, in a form to be approved by the City Solicitor, to the Trustees of the University of Pennsylvania, their successors or assigns, which deed shall release, quitclaim, surrender, grant, bargain and sell to the said Trustees, their successors or assigns, in fee simple, and for the consideration hereinafter named, all rights in and over the land occupied by that fifteen feet wide way, beginning at the southwest corner of Thirty-fourth street and Pine street, and extending of that width on Pine street, as formerly upon the City plan, on the south side thereof north seventy-eight degrees fifty-nine minutes, west six hundred ninety-nine and eighty-seven one-hundredths feet to the face of the wall at Guardian avenue, as formerly upon the City plan, being part of the way to be maintained by the Trustees of the said University, according to the provisions of the ordinance approved the 28th day of May, 1904, entitled "An Ordinance to sell and convey to the Trustees of the University of Pennsylvania certain pieces of land belonging to the City of Philadelphia, being parts of streets heretofore stricken from the City plan, and which are of no further use to the said City, and also to release and surrender certain other restrictions upon other pieces of land belonging to the said Trustees, all of said pieces of land being situated in the Twenty-seventh Ward," and according to the provisions of the deed embodying the said ordinances between the City of Philadelphia and the Trustees of the University of Pennsylvania, dated June 16, 1904, and recorded in Office of the Recorder of Deeds, in Deed Book W. S. V. No. 311, page 552.

Subject, however, to the following conditions: That the land occupied by the said way shall never be alienated by the Trustees of the said University of Pennsylvania with-

out the consent of the City; and further that the various departments and bureaus of the City of Philadelphia shall at all times have access over the land occupied by the said way in order to extend or repair its municipal structures within the lines of the said land; and further that the said Trustees shall first pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance.

Provided, further, however, That the said University shall not possess any right to erect any structure upon the said fifteen feet wide way, beginning at the southwest corner of Thirty-fourth street and Pine street as aforesaid and as thereafter described.

It is further ordained that the sale, conveyance and release above provided for shall be made upon the consideration that the Trustees of the said University of Pennsylvania shall maintain in good condition and keep open for the use of the City of Philadelphia a fifteen feet wide way over Thirty-sixth street, as formerly upon the City plan, extending from Spruce street to and across Pine street, as formerly upon the City plan, to the way now possessed by the City of Philadelphia from the face of the wall at Guardian avenue, as formerly upon the City plan, along the said wall on the south side of the said Guardian avenue, south sixty-one degrees twenty-eight minutes thirty-six seconds, west one hundred sixty-two and forty-two one-hundredths feet to the gate way or entrance in the wall of the Almshouse property.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That permission be, and is hereby granted to the Germantown Steam Company to lay and maintain a steam main, not exceeding six inches, for the purpose of carrying steam in Cresheim road, from Pelham road to Carpenter street, a distance of four hundred feet, to connect with steam mains already laid in said street. The said pipe shall be laid under the supervision and to the satisfaction of the Department of Public Works, and shall not interfere with any gas, water or sewer pipes now in said street. Before a permit shall be issued for the work hereby authorized the said Germantown Steam Company shall first enter into an agreement, satisfactory to the City Solicitor, to be responsible for all damage arising from the construction and maintenance of said pipe, and to repave and keep in good order so much of the street now paved as shall be disturbed by laying the same. The permission hereby granted shall be revocable at any time on the passage of an ordinance to that effect. Before exercising any privilege hereby granted the said Germantown Steam Company shall first pay into the City Treasury the sum of fifty (50) dollars for the publication of this ordinance.

APPENDIX No. 119.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the petition of owners of property on Springfield avenue, between Germantown avenue and Pocono street; and Bryn Mawr avenue, between City avenue and Overbrook avenue, requesting the paving of footways on said streets, having considered the subject, report the annexed ordinance authorizing said work and ask its passage.

John W. Ford, (*Ch'n*), W. A. Miller, Geo. B. Davis, David R. Griffith, Jr., E. J. McAleer, John Bethke, Chas. A. Gillingham, John H. Stokley, Jos. Ashby, John W. Whitaker, Thos. J. Duff, John J. McKinley, Jr., H. J. Trainer, T. W. MacFarland, Morris Rosenberg.

AN ORDINANCE

To authorize the paving of sidewalks on Springfield avenue, between Germantown avenue and Pocono street, and Bryn Mawr avenue, between City avenue and Overbrook avenue.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized and directed to enter into contracts for paving the sidewalks on the northwest side of Springfield avenue, between Germantown avenue and Pocono street, with flagstone, and northeast side of Bryn Mawr avenue, between the southeast side of City avenue and the northwest side of Overbrook avenue. The conditions of said contracts shall be, that the contractors shall collect the cost of said paving from the owners of property fronting thereon: *Provided*, The Director of the Department of Public Works shall advertise for proposals and award the contracts to the lowest responsible bidder.

APPENDIX No. 120.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance authorizing the Pneumatic Transit Company to lay tubes, with branches, switches and electrical conductors, in certain streets in the City of Philadelphia,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John W. Ford, (*Ch’n*), W. A. Miller, Geo. B. Davis, David R. Griffith, Jr., E. J. McAleer, John Bethke, Chas. A. Gillingham, John H. Stokley, Jos. Ashby, John W. Whitaker, Thos. J. Duff, John J. McKinley, Jr., H. J. Trainer, T. W. MacFarland, Morris Rosenberg.

AN ORDINANCE

Authorizing the Pneumatic Transit Company to lay tubes, with branches, switches and electrical conductors, in certain streets in the City of Philadelphia.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Pneumatic Transit Company is hereby authorized to lay, and maintain and operate, pneumatic tubes or pipes, and to lay with the said tubes or pipes, conduits and electric conductors, and to construct manholes, switches and drips, that may be required to operate the said tubes, in such streets and alleys as shall be selected by the Board of Highway Supervisors, to connect the general post office, railway stations and branch Post Offices within the limits of the City of Philadelphia, for the purpose of transmitting the United States mails, with the right to connect the power house of the said Company with the said lines of tubes and conduits,

if located within two squares of said lines: *Provided*, That nothing herein contained shall be construed as granting a right to use the highways for any other business than that of transmitting the United States mail through pneumatic tubes. The said tubes, branches, connections, switches, conduits, manholes and other parts, shall be laid and constructed in such manner as shall be satisfactory to the Department of Public Works, and in accordance with plans to be approved by said Department, and the Company shall, in each case where the streets are torn up, restore the streets to the same condition in which they were found. The work of laying said tubes and conduits herein authorized shall be begun within twelve months after the approval of this ordinance, and be completed within five years from the said approval, after which time the right to occupy the streets not already actually occupied shall cease and determine. The granting of this right to the Company shall, however, not be construed as giving them the exclusive use of any street for the purpose of laying conduits therein.

SECT. 2. Whenever the said Company shall break a street or alley they shall repair the same under the specifications of the Department of Public Works, repaving over the trench and one foot on each side, keeping it in repair for three years: *Provided*, where it is necessary to break a street paved with improved pavement occupied by a street passenger railway company, they shall pay into the City Treasury the price paid by the City to its contractor for repairing such pavement for each square yard of pavement broken, and 5% in addition thereto for inspection, and shall be at no further cost or expense on account thereof. Whenever the said company shall break a sidewalk of a street they shall repair the same in an approved manner, and keep it in repair for three years.

SECT. 3. Before any work shall be done under this ordinance the said Company shall file with the Mayor its bond in the sum of twenty-five thousand (25,000) dollars, in form to be approved by the City Solicitor, conditioned that it will indemnify the City and owners of property against any and all damages caused by construction or operation of

its work, and for the faithful performance of all the provisions and agreements of this ordinance, and shall also pay into the City Treasury the sum of fifty (50) dollars for printing this ordinance.

APPENDIX No. 121.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled “An Ordinance to regulate the running of omnibuses in the City of Philadelphia and providing for the licensing thereof,” respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

AN ORDINANCE

To regulate the running of omnibuses in the City of Philadelphia and providing for the licensing thereof.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain.* That any person, firm or corporation desiring to run omnibuses in or upon any of the streets of the City of Philadelphia shall make application to the Department of Public Works (Bureau of Highways) for licenses to run such omnibuses. The said application shall contain the name or names and residences of the person or persons applying therefor, or, if a firm, of the persons composing such firm. If such applicant

shall be a corporation, the corporate name and place of incorporation, with the names and residences of the officers thereof shall be stated. The said application shall further state the number of omnibuses to be licensed, the route or routes over which they are to be run, the weight of each omnibus, the number of seats inside and on top thereof, respectively, together with the number of passengers to be carried in and on each omnibus, and such other information as the Bureau of Highways shall require, and the applicant shall likewise file with said application the receipt or receipts of the Receiver of Taxes for the amounts hereinafter provided to be paid for said licenses. Upon the filing of such application and receipt, the said Bureau of Highways shall each year, where licenses have been issued for a previous year to the said applicant, issue licenses in the manner and under the conditions hereinafter named. In the case of new applicants, no license shall be issued until a resolution shall have first passed Councils authorizing the Bureau of Highways to license such new applicant. It is hereby declared to be unlawful to operate or run any omnibus or omnibuses in or upon any of the streets of the City, except in pursuance of a license or licenses to be obtained as herein provided; to carry a greater number of passengers therein or thereon than the number required to be stated as aforesaid; or to make any false statement as to any of the matters required to be set forth in such application, and any person or persons violating any of the provisions of this section shall be subject to a penalty of one hundred (100) dollars for each and every offence. All licenses issued as provided for shall be in force for a period of one year.

SECT. 2. The authority of the Department of Public Works (Bureau of Highways) to issue licenses for omnibuses hereunder, shall apply only to Broad street, from League Island on the south to the City limits on the north, and to Diamond street for its full length: *Provided*, That the licensee shall be allowed to enter upon and run over any adjoining or intersecting street to a terminal, situate not more than three (3) squares from Broad street or Diamond street, and thence for a distance not exceeding

three (3) squares from such terminal to power houses, garages or stables: *And Provided further*, That in case of a blockade on any street over which omnibuses are licensed to run, such blockade rendering the street impassable by omnibuses for a portion of the route, the said vehicles shall be allowed to make a detour into and along the nearest parallel street which is unobstructed, but shall return to the authorized route as soon as possible.

SECT. 3. Omnibuses to be licensed, as hereinabove provided, may be drawn by horses, or propelled by electricity, gas, gasoline, compressed air, steam or other mechanical motive power, and shall have a carrying capacity of not less than thirty passengers, nor more than forty passengers. No omnibus shall be licensed which has a carrying capacity of more than forty passengers.

SECT. 4. Before any such licenses shall issue, the person or persons, firm or corporation applying for the same shall pay to the Receiver of Taxes of the City of Philadelphia, for the use of said City, for each license the sum of one hundred (100) dollars. The applicant shall further pay to the Receiver of Taxes each year, toward the maintenance of street pavement upon the streets covered by the proposed routes, a sum equal to two cents per square yard of asphalt pavement and one cent per square yard of block and brick pavement, for the total yardage of such pavement upon the streets along so much of their whole routes over which they operate. The amount due hereunder shall be determined by the Department of Public Works (Bureau of Highways), and shall be paid annually. The text of the said licenses shall be printed in red letters and shall contain in large black letters of a size easily read, a statement of the amount paid for such license, the weight of the vehicle when loaded, the number of passengers it is licensed to carry and the number of license, and such license shall be conspicuously displayed in the omnibus for which it was issued. The said Bureau of Highways shall designate an officer or official of said Bureau who is hereby authorized to test the weight of any omnibus at any one time during the year for which it may be licensed, at the expense of the licensee; or, he may test the weight of such

omnibuses more than once during said period of one year, the expense for so doing after the first time being borne by the City of Philadelphia. For this purpose the said officer or official may require said omnibus to proceed to the scale of any sworn weigher located within two miles of the depot, yard or stable of the person, firm or corporation owning or controlling said omnibus, and if no sworn weigher shall be located within two miles, then to the one located nearest to said depot, yard or stable, and thereupon it shall be the duty of said person, firm or corporation to cause the said omnibus to be taken or conveyed to such scale, and when by the provisions hereof, he, they or it are required to bear the expense of such test, to pay the fee of said weigher, not exceeding one dollar in each case. Failure to comply with any of the provisions of this section shall subject the person or persons, firm or corporation so failing, to a penalty of one hundred (100) dollars in each and every case.

SECT. 5. The wheels of all omnibuses running on streets paved with asphaltum on any portion of their routes shall be provided with flat tires of the following widths: For any omnibus weighing when loaded not more than five thousand pounds, two and a half inches; for any omnibus weighing when loaded more than five thousand pounds and not more than six thousand pounds, three inches; for any omnibus weighing when loaded more than six thousand pounds and not more than seven thousand pounds, three and a half inches; for any omnibus weighing when loaded more than seven thousand pounds and not more than eight thousand pounds, four inches; for any omnibus weighing when loaded more than eight thousand pounds and not more than nine thousand pounds, four and a half inches; for any omnibus weighing when loaded more than nine thousand pounds and not more than ten thousand pounds, five inches; for any omnibus weighing when loaded more than ten thousand pounds and not more than eleven thousand pounds, five and a half inches; for any omnibus weighing when loaded more than eleven thousand pounds and not more than twelve thousand pounds, six inches; for any omnibus weighing when loaded more than twelve thousand

pounds and not more than fourteen thousand pounds, six and a half inches; for any omnibus weighing when loaded more than fourteen thousand pounds and not more than sixteen thousand pounds, seven inches; for any omnibus weighing when loaded more than sixteen thousand pounds and not more than eighteen thousand pounds, seven and a half inches; for any omnibus weighing when loaded more than eighteen thousand pounds and not more than twenty thousand pounds, eight inches. No omnibus shall be licensed which when loaded shall weigh more than twenty thousand pounds: *Provided*, That the foregoing provisions as to the width of tires shall not apply to omnibuses fitted with rubber or other resilient tires that may be approved by the Department of Public Works. Any violation of the provisions of this section of the ordinance shall subject the person or persons, firm or corporation offending to a penalty of one hundred (100) dollars for each offence, to be collected and paid into the City Treasury.

SECT. 6. It shall be the duty of the City Solicitor, upon being furnished with evidence of any violation of the provisions of this ordinance, to sue before any magistrate, justice of the peace or court having lawful jurisdiction, and to collect and recover for the use of the City of Philadelphia the penalty or penalties for such violation in the same manner as debts of like amount are by law recoverable.

SECT. 7. The provisions of this ordinance, except those of Section 5, shall apply only to such omnibuses as shall be regularly and continuously run upon the streets of the City for the conveyance of passengers. The provisions of Section 5 of this ordinance shall apply to all omnibuses. The fees for the licensing of omnibuses other than those regularly and continuously run upon the streets for the conveyance of passengers shall remain as now fixed by ordinance.

SECT. 8. All ordinances or parts of ordinances inconsistent herewith be, and the same are hereby repealed.

APPENDIX No. 145.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled "An Ordinance to authorize the revision of the lines and grades and the es-

tablishment of streets in a portion of the Thirty-fifth Ward," respectfully report that this is asked for in order that the Board of Surveyors may properly begin the work of preparing City plans for establishing the street system over a large area of the Thirty-fifth Ward lying northeast of Rhawn street and northwest of Frankford avenue. No street system has yet been projected to provide for the future development of this territory; new railroads have been built or projected and in several instances properties have been divided into building lots; suburban improvements on a large scale may begin at any time and unless the City shall anticipate these with a system of streets which will afford direct avenues for travel, avoid grade crossings of steam railroads, and provide proper lines and grades for drainage channels and sewers much future inconvenience, loss and damage may result. We approve this bill and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch'n*), Chas. A. Kauffman, Edwin S. Ward, George W. Conrad, Daniel Cahill, Frank Weideman, T. W. MacFarland, C. F. Gramlich, George Schmidt, H. J. Trainer, W. C. Gross, Chas. R. Campbell, Harry C. Ransley, Louis Hutt, Wm. Boal.

AN ORDINANCE

To authorize the revision of the lines and grades and the establishment of streets in a portion of the Thirty-fifth Ward.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized to revise the lines and grades of existing streets and roads and to establish the lines and grades of new streets in that portion of the Thirty-fifth Ward lying northeast of Rhawn street and northwest of Frankford avenue.

APPENDIX No. 146.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the message from the Mayor, returning without his approval bill entitled “An Ordinance to strike from the plan Adrian street, from Girard avenue to a point north of Girard avenue, and to place on the plan Stiles street, from Leopard to Adrian street,” beg leave to report having again considered said bill and after amending same to conform to the suggestions made, return said bill and ask its passage.

John P. Connelly (*Ch’n*), Chas. A. Kauffman, Edwin S. Ward, George W. Conrad, Daniel Cahill, Frank Weideman, T. W. MacFarland, C. F. Gramlich, George Schmidt, H. J. Trainer, W. C. Gross, Chas. R. Campbell, Harry C. Ransley, Louis Hutt, Wm. Boal.

AN ORDINANCE

To strike from the plan Adrian street, from Girard avenue to a point north of Girard avenue, and to place on the plan Stiles street, from Leopard to Adrian street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works (Board of Surveyors) be authorized and directed to strike from the City plan Adrian street, from Girard avenue to a point about two hundred and six feet north of Girard avenue, and to place on the plan Stiles street, of the width of twenty-five feet, from Leopard to Adrian street: *Provided*, That an agreement or bond, satisfactory to the City Solicitor, be first filed protecting the City from all damages by reason of said changes and agreeing to dedicate the bed of said Stiles street without expense to the City.

APPENDIX No. 147.

Philadelphia, July 1, 1907.

To the Presidents and Members of the Select
and Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Surveys, to whom was referred the bill entitled “An Ordinance to revise the lines and grades on portions of City plans Nos. 239 and 249, bounded by Fifth street, Tenth street, Sixty-fifth avenue north and Godfrey avenue, and to place certain streets on the City plan,” respectfully report that this is asked for in order that certain streets may be revised and certain new streets placed upon the City plan in the territory covered by the ordinance so that property may be developed to better advantage. The streets affected are entirely unimproved, none of them are legally or physically open and the proposed revision will be an advantage to the City in that the ordinance requires the dedication of the streets and the filing of releases from damages; the taxable value of the property will also be increased as the owners propose to improve it at once. No expense or damage to the City is involved. We approve the bill and submit for your consideration the annexed ordinance and ask its passage.

John P. Connelly (*Ch’n*), Chas. A. Kauffman, Edwin S. Ward, George W. Conrad, Daniel Cahill, Frank Weideman, T. W. MacFarland, C. F. Gramlich, George Schmidt, H. J. Trainer, W. C. Gross, Chas. R. Campbell, Harry C. Ransley, Louis Hutt, Wm. Boal.

AN ORDINANCE

APPENDIX No. 158.

LINCOLN SAVINGS & TRUST CO.,

Philadelphia, July 10, 1907.

HON. R. R. BRINGHURST,

City Treasurer, City Hall, Philadelphia, Pa.

DEAR SIR:—In the matter of the Lincoln Savings & Trust Company, permit me to say that the Banking Department of the State of Pennsylvania have made a thorough and careful investigation of the affairs of this institution and as a result of which certain assets, amounting to about \$35,000, which were considered slow assets, having been charged off and replaced by \$35,000 in cash.

This leaves the institution with sufficient cash on hand to meet every deposit and in addition, \$144,000 of good securities representing capital and surplus. These securities have all been examined by the Banking Department and approved by them, so that when the institution opens for business to-morrow morning, every depositor could be paid in full by the cash on hand and leave the capital and surplus intact.

We make this statement so that there may be no mistake about the City's deposit, and while it is small, we would urge you not to withdraw it for the reason that if it were withdrawn it would be a reflection on the institution, whose solvency has never been questioned, which has a brighter future than it has ever had at any time in its history.

We would be pleased to keep you advised from time to time of the exact status of the business.

The Board of Directors is now composed of men of well-known business and financial experience and the legal end of our business will be under the supervision and advice of P. F. Rothermel, Esq., and Samuel M. Clement, Jr., Esq.

We beg to remain,

Most respectfully yours,

(Signed) JAMES I. COMLY, *President.*

Philadelphia, July 11, 1907.

HON. GEORGE MCCURDY,

President and Members of Common Council.

GENTLEMEN:—I hereby take pleasure in handing you for your consideration and guidance in the question of the Lincoln Saving & Trust Company, a report under date of July 10, 1907, addressed to me as City Treasurer, and signed by James I. Comly, President. He states the present condition of the said company, and I take pleasure in adding that this written statement has been verified by Mr. Joseph S. Riley, State Bank Examiner, who had the affairs of this company in charge, as temporary receiver, during its suspension, and from all information I can obtain, although it may have nothing to do with the matter, I feel personally satisfied that these statements are absolutely correct.

Very truly yours,

R. R. BRINGHURST,

City Treasurer, County of Philadelphia.

Philadelphia, July 11, 1907.

HON. GEORGE MCCURDY,

President and Members of Common Council.

GENTLEMEN:—By authority of "An Ordinance to designate certain trust companies depositories of the City's money, approved by Hon. John Weaver, Mayor of Philadelphia, the 9th day of May, 1904," the Lincoln Saving & Trust Company became one of the City's depositories. Under "An Ordinance to regulate the deposits of City moneys by the City Treasurer, and the payments of interest thereon, approved by Hon. Edwin S. Stuart, Mayor of Philadelphia, 9th day of April, 1892," the City Treasurer is required to deposit the City's moneys under certain regulations and restrictions, one of which is: "In such banks or other institutions as may now or shall hereafter be designated as depositories of the City's money, so long as the

same shall remain solvent and in good credit and standing." The Lincoln Trust Company, above-named depository, closed its doors April 10, 1907. At that time the City had \$17,000 on deposit. I am creditably informed that said Lincoln Trust Company proposes to open its doors for business on Thursday, July 11, 1907. As City Treasurer I feel that they, by closing their doors, on the above-mentioned date, forfeited their right under the ordinance, as a City Depository. I feel that I would be perfectly justifiable in withdrawing the account. Not wishing to pre-judge the public or place the said Lincoln Trust Company at the disadvantage, at a consultation held Wednesday, July 10, 1907, between His Honor, John E. Reyburn, Mayor of Philadelphia, Hon. John M. Walton, City Controller, and myself, it was decided to place the matter before your Honorable Bodies, to take such action as you in your wisdom and willingness to assist the Lincoln Trust Company might see proper. In all probability your meeting of July 10, 1907, will be the last, previous to the summer recess; I would therefore suggest, as you have not time to put through an ordinance, a joint resolution of Councils, reaffirming your confidence in the Lincoln Trust Company and empowering and authorizing the City Treasurer to continue the above-mentioned deposit, be passed.

I trust that you will give this matter your attention to-day.

Yours very truly,

R. R. BRINGHURST,
City Treasurer, County of Philadelphia.

RESOLUTION

Authorizing and empowering the City Treasurer to continue the Lincoln Saving & Trust Company as a City depository and suspending Joint Rule No. 30 of the Select and Common Councils.

WHEREAS, By the authority of an ordinance of the Councils of Philadelphia, passed the 9th day of May, 1904, the

Lincoln Saving and Trust Company became a depository of the City, with the understanding that they comply with an ordinance, approved April 9th, 1892, covering their responsibility in the matter, and

WHEREAS, On the 10th day of April, 1907, the said Lincoln Saving & Trust Company closed their doors, thereby vitiating their standing as a city depository and laying themselves liable to having the account closed; and

WHEREAS, The above-mentioned City depository opened their doors for business, having satisfied all parties at interest, therefore be it

Resolved, By the Select and Common Councils of the City of Philadelphia, That the City Treasurer be, and is hereby authorized and empowered to continue the said Lincoln Saving & Trust Company as a City depository, to be treated the same as if the temporary closing had not taken place.

Resolved, That Joint Rule No. 30 of these Councils be, and the same is hereby suspended, in order that these resolutions may be presented to his Honor, the Mayor, for his approval or disapproval.

APPENDIX No. 159.

RESOLUTION

Designating the Maritime Exchange and the Trades' League of Philadelphia as the commercial bodies from which the Mayor shall select two members of the Board of Commissioners of Navigation for the Delaware river, as provided in Act of Assembly approved June 8, 1907.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Maritime Exchange and the Trades' League of the City of Philadelphia are hereby designated by these Councils as the commercial bodies from which two members of the Board of Commissioners of Navigation for the Delaware river shall be appointed by the Mayor, as provided in Act of Assembly approved June 8, 1907.

APPENDIX No. 160.

RESOLUTION

Relative to the approval of schedules, bills and contracts, during the summer recess of Councils.

Resolved, By the Select and Common Councils of the City of Philadelphia, That during the summer recess of Councils three members of any committee shall be sufficient to constitute a quorum for the approval of schedules, bills and contracts.

APPENDIX No. 161.

RESOLUTION

To authorize the Chairman of the Committee on Finance to approve contracts and sureties during the summer vacation.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Chairman of the Committee on Finance be, and is hereby authorized to approve contracts and sureties during the summer vacation; also, any contracts executed prior to the adjournment of Councils and upon which action has not yet been taken.

APPENDIX No. 162.

Philadelphia, July 11, 1907.

To the Presidents and Members of the Select and Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the resolution entitled “Resolution authorizing the drawing of a warrant in favor of Michael O’Rourke, to reimburse him for work done on the Ara-

mingo main sewer, between Richmond street, and the bulkhead line under revised plans of the Department of Public Works; and suspending Joint Rule No. 30 of the Select and Common Councils," respectfully report that they have carefully considered the same, and return the annexed resolution with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch'n*), Walter T. Sykes, John P. Connelly, C. E. Connell, John H. Stokley, John H. Hahn, Watson D. Upperman, Hubert J. Horan, G. W. Kucker, Harry C. Ransley, H. J. Trainer, Chas. Seger, Geo. B. Edwards.

RESOLUTION

Authorizing the drawing of a warrant in favor of Michael O'Rourke, to reimburse him for work done on the Aramingo main sewer, between Richmond street and the bulkhead line, under revised plans of the Department of Public Works; and suspending Joint Rule No. 30 of the Select and Common Councils.

WHEREAS, Michael O'Rourke, under contract with the City of Philadelphia, constructed the Aramingo main sewer, between Norris street and the bulkhead line, on a basis of unit prices, and during the construction of the portion east of Richmond street certain changes were authorized in the plans for said work entailing additional cost, not represented by unit prices, of forty-six thousand seven hundred and twenty (46,720) dollars, the said amount being the net cost between building in water as contemplated, and pumping out water, building of flumes, coffer dams and rental of wharves, etc., the City saving by said change of plan on unit prices the sum of thirty-eight thousand three hundred and thirty-one (38,331) dollars and sixty (60) cents; for all of which additional cost no compensation was allowed him, although the total claim did not exceed the limit of the contract; therefore,

Resolved. By the Select and Common Councils of the City of Philadelphia. That the Department of Public Works be authorized to draw, and the City Controller requested to countersign, a warrant in favor of Michael

O'Rourke in the sum of fifty thousand three hundred and eighty-one (50,381) dollars and seventy-eight (78) cents, being the amount with interest it would have cost the City of Philadelphia to have constructed the said sewer under the original plans, and shall charge the same to Item 27 (loan) in the appropriation to the Department of Public Works (Bureau of Highways).

Resolved, That Joint Rule No. 30 of the Select and Common Councils be suspended to enable the Clerks of Councils to present this resolution to the Mayor for his approval or disapproval.

APPENDIX No. 163.

RESOLUTION

Providing for the summer recess of Councils.

Resolved, By the Select and Common Councils of the City of Philadelphia, That when these Councils adjourn on Thursday, July 11, 1907, it shall be until Thursday, September 19, 1907, and that the intermediate meetings of Councils be, and are hereby dispensed with.

APPENDIX No. 164.

RESOLUTION

Of request to the Mayor to return to Common Council resolution (Appendix No. 162) entitled "Resolution authorizing the drawing of a warrant in favor of Michael O'Rourke, to reimburse him for work done on the Aramingo main sewer, between Richmond street and the Bulkhead line, under revised plans of the Department of Public Works; and suspending Joint Rule No. 30 of the Select and Common Councils."

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Mayor be, and is hereby requested to return to Common Council, Common Council resolution (Appendix No. 162) entitled "Resolution authorizing the drawing of a warrant in favor of Michael O'Rourke, to reimburse him for work done on the Aramingo main sewer, between Richmond street and the Bulkhead line, under revised plans of the Department of Public Works; and suspending Joint Rule No. 30 of the Select and Common Councils."

APPENDIX No. 168.

Philadelphia, July 30, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—We, your Committee on Highways, to whom was referred the bill entitled "An Ordinance to authorize the opening of Fifty-sixth street, from Cedar avenue to Hazel avenue, and Hazel avenue, from Fifty-fifth to Fifty-sixth street," respectfully report that we have examined and approve the same, and submit for your consideration the annexed ordinance and ask its passage.

John W. Ford (*Ch'n*), Jos. R. C. McAllister, David R. Griffith, E. J. McAleer, John Bethke, John H. Stokley, Geo. B. Davis, Jos. Ashby, H. J. Trainer, George D'Autrechy, Wm. J. Harrington, Morris Rosenberg, A. C. McAvoy, Chas. R. Campbell, F. W. MacFarland.

AN ORDINANCE

To authorize the opening of Fifty-sixth street, from Cedar avenue to Hazel avenue, and Hazel avenue, from Fifty-fifth to Fifty-sixth street.

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the Department of Public Works be authorized and directed to notify the owners of property over and through which the following streets will pass, that at the expiration of three months from the date of said notices said streets will be required for public use, to their full width as now upon the City plan, viz.: Fifty-sixth street, from Cedar avenue to Hazel avenue, and Hazel avenue, from Fifty-fifth to Fifty-sixth street: *Provided*, That the bed of said streets be first dedicated to the City.

APPENDIX No. 169.

OFFICE OF THE MAYOR.

Philadelphia, July 30, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—In pursuance of your resolution of this date, I have the honor to return to you herewith Common Council resolution, No. 162, entitled "Resolution authorizing the drawing of a warrant in favor of Michael O'Rourke, to reimburse him for work done on the Aramingo main sewer, between Richmond street and the Bulkhead line, under revised plans of the Department of Public Works, and suspending Joint Rule No. 30 of the Select and Common Councils."

Respectfully,

JOHN E. REYBURN,

Mayor.

APPENDIX No. 170.

RESOLUTION

Authorizing the Director of the Department of Public Safety to enter into a contract with the Morris Refuge Association for Homeless and Suffering Animals, for taking up cats and other animals and killing the same, and suspending Joint Rule No. 30 of the Select and Common Councils.

WHEREAS, By ordinance approved May 21, 1907, an appropriation of one thousand (1,000) dollars was made for taking up cats and other animals and killing the same; therefore

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Director of the Department of Public Safety be authorized and directed to enter into a contract with the Morris Refuge Association for Homeless and Suffering Animals, for taking up cats and other animals and killing the same: *Provided,* The contract so entered into shall not at any time exceed the amount appropriated by Councils for that purpose.

Resolved, That Joint Rule No. 30 of the Select and Common Councils be suspended to enable the Clerks of Councils to present this resolution to the Mayor for his approval or disapproval.

APPENDIX No. 171.

DEPARTMENT OF CITY CONTROLLER

Philadelphia August 1, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—In accordance with the provisions of the Act of Assembly approved June 11, 1879, I have the honor to submit herewith a detailed statement of the estimated receipts, expenditures, assets and liabilities for the current year from August 1st to December 31st inclusive, and for the fiscal year commencing January 1, 1908. Included in the estimated receipts for the coming year are the tables showing the yield upon a tax rate of \$1.50, \$1.55, \$1.60, \$1.65 and \$2.30, each upon \$100, the latter being the rate necessary to give Departments of the City the sums estimated by them, and forwarded to this Department, as adequate for the successful prosecution of the work required of them. The large increase in the rate to \$2.30 to reach these estimates is, however, impracticable and I am sure cannot be seriously entertained.

In the estimate of Receipts for 1908 shown in opposite column will be seen the increased amount from the United Gas Improvement Company which shows a largely estimated increase over the receipts for the year to September 30, 1906, and for the following five years, or until December 31, 1912, by reason of the change in the amount paid the City, the lease requiring a payment of fifteen cents instead of ten cents on every thousand cubic feet of gas consumed.

I would also add that the payment by the Philadelphia Rapid Transit Company in accordance with the terms of the ordinance approved by his Honor, the Mayor, July 1, 1907, will add \$500,000 per annum to the receipts of the City, as seen in the same column, although the absence of the license fees hitherto paid by said company will act as an offset together with the cost of paving the streets occupied by the railways which the City now assumes.

Total to Appropriate to Departments		\$17,107,908 02

These lawful obligations, and the Estimated Departmental expenses added to the increased amount to the Board of Public Education, which under the Act of April 22, 1905, is allowed five mills upon the total assessment of real property, aggregate a total of \$40,103,771.79.

This amount embraces the lawful obligations due, consisting of Interest and State Tax on Loans, nine series of serial loans, Sinking Fund, estimated payments by mandamus execution and the allotment to the Board of Education, which make a total of \$13,926,184.30. also a net estimated departmental expense of \$26,177,587.49. To meet this there is shown at the present rate of \$1.50 an average income from other sources a total of \$31,034,092.32, which after deducting the lawful obligations leaves a balance to appropriate to Departments \$17,107,908.02.

The Funded Debt.

The gross funded debt, which on January 1, 1907, was \$66,622,720.22, shows an increase to August 1st, of \$6,125,500, produced by the negotiation of a portion of the

authorized loan of \$13,500,000, of February 9, 1907, and the return by the Farmers' and Mechanics' National Bank of \$1,800 unclaimed matured loans, together with the redemption of former unclaimed matured loans \$1,300.

The amount of the City loans held by the Sinking Fund Commission on January 1st was \$6,811,500. These holdings have increased to \$8,454,691.12, but owing to the addition to the gross debt the net debt is also increased to the extent of \$4,482,306.88, or from \$59,811,222.22 to \$64,293,529.10.

Of the authorized loans there is still awaiting negotiation \$12,775,000 apportioned as follows:

Public Library . . .	\$1,000,000	Loan of June 17, 1898
Art Gallery	200,000	" " " " "
Grade Crossings . .	200,000	" " " " "

\$13,500,000 Loan		
for various im-		
provements	7,375,000	" " Feb. 9, 1907

In view of the above statement the City's borrowing capacity on August 1st was \$10,479,650.92.

In connection with the statement relative to the Funded Debt of the City of Philadelphia, I beg to call the attention of your Honorable bodies to the superior financial standing of the securities of this City and the highly gratifying fact that in the recent negotiation of its four per cent. loan, when compared by the efforts put forth by other large cities of apparently equal facilities to dispose of their bonds at par and at the same rate of interest, a premium was paid by the successful bidder for the issue of \$6,000,000 of the \$13,500,000 loan to whom the award was made over that of a number of others, in whose bids were also an offer of premium.

Mandamuses.

The payment of writs by Mandamus execution to August 1, 1907, have already largely exceeded the amount set aside for this purpose for the entire year.

The ordinary payments in 1907 from this fund of \$843,530.04, together with a payment to Henderson and Company of \$4,905.50 for Filtration work, exhibit a marked reduction from those paid from January 1st to August 1, 1906. The decision, however, rendered by the arbitrator in the case of the City versus Daniel J. McNichol making an award of \$2,065,911.65 (which included the Arbitrator's fee of \$15,000 and Stenographer's fee of \$1,574.80), and for which a writ of mandamus was immediately issued by the Court of Common Pleas No. 1 for its payment, swelled the total of mandamus payments to August 1, 1907, to \$2,914,347.19, or a sum in excess of that intended for mandamuses for the entire year of \$914,347.19

This large outlay to August 1st, with the additional payments for the remaining five months of 1907, as compared with those for the five months of 1906, will aggregate on December 31st next, \$3,300,000. I have therefore deemed it advisable to set aside for the payment of Mandamuses to December 31st next the further sum of \$500,000.

The balances of the original appropriation of loan moneys for Filtration purposes to the credit of the McNichol and Henderson contracts annulled May 15, 1906, by the Director of the Department of Public Works, and which amounted to \$1,773,969.59, were by a decision of the City Solicitor on same date recredited to the Bureau of Filtration for expenditure on that improvement and since that date have been variously used in this manner until exhausted.

The reduction of the general fund of the City Treasury by this award and which is largely responsible for the estimated deficit shown of \$580,234.11 on page 6 of this report, can be restored from loan moneys intended for the improvement of the water supply from Item 4 to the credit of the Bureau of Filtration, as per an opinion rendered by the City Solicitor July 23, 1907, to this Department, as follows:

"I reply, relative to the question asked as to whether a portion of the mandamus issued yesterday in favor of Daniel J. McNichol upon the award of Arbitrator Thomp-

son may be charged against this appropriation, that it not only may be, but so far as there are any funds not urgently needed to the credit of that item, the payment should be charged against it. The appropriation does not so much relate to the method of payment (although it does give authority to draw warrants), as to the purpose for which the money is used. This money is used for filtration purposes exactly to the same extent as if the payment were by warrant instead of mandamus, and it should be so treated."

At the present time there is to the credit of this item a sum sufficient to exercise the authority expressed in the opinion given, without seriously interfering with the Bureau or crippling it in the prosecution of the work; I therefore respectfully refer the matter to your Honorable bodies for such legislation as you may deem proper.

In this connection I desire to call your attention to the large demands upon the General Fund of the Treasury for the payment of mandamuses, principally the opening and widening of streets, amounting in the last ten years to \$6,906,988.86, also the revision of lines and grades, amounting in the same period to \$2,754,277.47, for other purposes, \$9,661,266.33, making a total of \$15,370,121.74.

The amount required to be annually set aside as a fixed charge for this purpose, in view of the large increase in revenue required for Sinking Funds and interest charges, cannot longer be maintained at the present tax rate without diverting appropriations from the different departments absolutely needed for maintenance and betterments.

The proviso adopted and in existence for many years requiring property owners "to file a bond satisfactory to the City Solicitor indemnifying the City against damages," or "to first dedicate the same as public highways," halted for many years this enormous drain upon the Treasury, which provisos, if revived and vigorously applied at present, would enable your Honorable bodies, with the annual increased income from all sources, to provide out of general taxation the demands of the departments, except for permanent improvements, which should be paid for out of loans.

Real Estate Trust Company.

On January 1, 1907, there was reported in the possession of the City as an asset 2000 shares of stock of the reorganized Real Estate Trust Company at a par value of \$200,000. By an Ordinance of Councils approved by his Honor, the Mayor, January 31, 1907, designating the above company as a depository of the City's money it was provided "That before the City Treasurer shall deposit any money in said company the preferred stock of said company now held by the City of Philadelphia shall first be sold at not less than par." This was accordingly done and the stock redeemed by and transferred to the Real Estate Trust Company.

Money Due From Commonwealth.

I have to report the following amounts as due from the State authorities:

Balance of Personal Property Tax for 1904.	\$54,974.26
" " " " " " 1905.	49,293.96
" " " " " " 1906.	28,060.79
Personal Property for 1907 due after Sept. 1	1,427,217.82
(Of this paid Sept. 10, 1907, \$1,359,000)	
Expenses of Primary Election, January last	78,825.30
" " " " June "	74,232.38
Balance of Appropriation to Schools for	
1907	289,182.44
	<hr/>
Total..	\$2,001,786.95

This large amount, if promptly paid prior to December 31st will greatly tend to relieve the anticipated deficit for the year.

In conclusion I desire to congratulate your Honorable bodies on the promptness with which the large unexpected demands upon the Treasury, not contemplated when the tax rate was reduced Sept. 2, 1903, to \$1.50, have been honored. By the passage of the Act of Assembly of April 22, 1905, appropriating to the Board of Education five

mills on each dollar of the total assessed valuation of real estate, or one-third of the total revenue from current taxation, the appropriation to the Board was increased for the years 1906 and 1907 over that of 1905, \$3,648,628.20, and by the issuing of the mandamus by the Court for payment due on annulled contracts of the Bureau of Filtration for \$2,065,911.65, making a total in three years of \$5,714,539.85.

Few, if any, State, corporate or municipal treasuries could have honored these large unexpected demands without serious financial distress, yet all were promptly paid, and, as the small estimated deficit testifies, without any serious impairment to the Treasury or to the honor of the City's credit.

Very respectfully,

Your Obedient Servant,

JOHN M. WALTON,

City Controller.

WHEREAS, Under Clause tenth of contract entered into between the Philadelphia Rapid Transit Company and the City of Philadelphia the said Company is required to pay into the City Treasury certain sums for paving, repaving and repairing the streets occupied by said Company, and in order that said sums may be used for the purposes intended; therefore

SECTION 1. *The Select and Common Councils of the City of Philadelphia do ordain*, That the City Treasurer and City Controller are hereby authorized and directed to set aside in a special fund all money received from the Philadelphia Rapid Transit Company for paving, repaving

and repairing streets occupied by said Company; the said fund to be used by the Department of Public Works (Bureau of Highways) exclusively for such paving, repaving and repairing, and shall be paid out only upon warrants drawn in accordance with law.

APPENDIX No. 181.

Philadelphia, September 19, 1907.

To the Presidents and Members of the Select and
Common Councils of the City of Philadelphia.

GENTLEMEN:—The Committee on Finance, to which was referred the resolution entitled “Resolution of request to the Board of Trustees of the Philadelphia Museums, relative to an extension for one year of the lease of portions of their buildings as temporary quarters for the Home for the Indigent, and authorizing the Department of Health and Charities to accept such extension, and suspending Joint Rule No. 30 of the Select and Common Councils,” respectfully report that they have carefully considered the same, and return the annexed bill with a favorable recommendation and ask its passage.

Jos. R. C. McAllister (*Ch’n*), John W. Ford, Geo. B. Edwards, Edw. W. Patton, Thomas J. Ryan, Hubert J. Horan, E. Buchholz, Chas. A. Gillingham, G. W. Kucker, John Doak, H. J. Trainer, Walt. T. Sykes, Watson D. Upperman, Frank G. Grier, Chas. Seger, C. E. Connell, John H. Stokley, Alfred Gratz, John H. Hahn.

RESOLUTION

Of request to the Board of Trustees of the Philadelphia Museums, relative to an extension for one year of the lease of portions of their buildings as temporary quarters for the Home for the Indigent, and authorizing the

Department of Public Health and Charities to accept such extension, and suspending Joint Rule No. 30 of the Select and Common Councils.

Resolved, By the Select and Common Councils of the City of Philadelphia, That the Board of Trustees of the Philadelphia Museums be requested to extend for a period of one year from the date of expiration a certain lease of portions of their South Building and Exhibition Hall as temporary quarters for the Home for the Indigent, which said lease was entered into under authority of a resolution of Councils approved on the 20th day of February, A. D. 1906.

Resolved, That in the event of acceptance of this request by said Board of Trustees of the Philadelphia Museums, the Department of Public Health and Charities be authorized to accept the extension of the said lease in accordance with this resolution.

Resolved, That Joint Rule No. 30 of the Select and Common Councils be suspended for the purpose of enabling the Clerks of Councils to present this resolution to the Mayor for his approval or disapproval.
